

The 2013 C-Class

COUPE

Mercedes-Benz
The best or nothing.

C 350 Coupe.

The triumph of the open road.

The 2013 C-Class Coupe is a dynamic expression of Mercedes-Benz passion. A true performance vehicle with a refined edge, its sleek yet aggressive contours turn heads as effectively as it does corners. Feel your heart rate rise with the speedometer – this is pure driving exhilaration.

C 350 4MATIC™ Coupe.

Muscle, unbound.

Aggressive in presence, athletic in shape, and confident in its stance – the 2013 C-Class Coupe exudes performance strength from every angle. With a pulse-quickenning turbo 4 cylinder or the incredible torque of a V6, it's engine power that has been engineered to outperform – with looks designed to awe.

C 350 Coupe.

The picture of pure power, refined.

Attention to detail is central to Mercedes-Benz; and nowhere is it more evident than within the 2013 C-Class Coupe. With its AMG styled exterior – including 17" 5-spoke wheels on the C 250 Coupe and 18" AMG 7-spoke wheels on the C 350 Coupe along with the dynamically sloped coupe roofline accented by a wide, tinted panoramic sunroof, and striking cool-white LED daytime running lights – it's an expression of refined aggression, and a true work of art.

Well beyond practical.

The exceptional comfort of the interior appointed with ARTICO leather upholstery boasts pure luxury. Seating and steering wheel memory functionality allow ease of interior customization, creating a driving experience that conforms to you. Additionally, optional leather upholstery provides particular comfort to accompany all driving experiences.

C 350 Coupe Interior.

When typical takes a detour.

Boasting two engine options including a 201 hp direct-injection four cylinder turbo in the C 250 Coupe, and 302 hp direct-injection V6 in the C 350 Coupe, the C-Class Coupe features exceptional fuel economy and incredible performance. A full colour instrument cluster provides detailed vehicle information and the optional COMAND APS with HDD navigation and DVD changer puts full control at your fingertips. Navigate with ease, access important vehicle information and engage entertainment functions seamlessly, while remaining focused on the road.

C 350 Coupe.

A close-up, artistic photograph of a car's interior. The image focuses on the dashboard area, showing a portion of the steering wheel with a leather grip and perforated leather on the lower half. To the right, a speedometer with a gold-colored bezel and markings is visible. The overall lighting is dramatic, with highlights on the metallic and leather surfaces.

Get the show on the road.

Though just driving the C-Class Coupe is thrilling in itself, a number of other features provide you with entertainment while on the road. The MP3-compatible CD/DVD changer features USB, optional iPod®, and auxiliary inputs providing the confidence of versatility and adaptability. Additionally, the optional Media interface syncs with your iPod® music library providing the flexibility to browse artist album artwork through the vehicle's COMAND screen. Added Bluetooth audio streaming compatibility completes this innovative and trend setting entertainment and communication system.

C 350 Coupe Interior.

C 350 Coupe.

It never misses a beat.

At the heart of the C-Class Coupe is one of two powerful engines. Powering the C 250 Coupe is a direct-injection 4 cylinder turbo engine, with an impressive 201 horsepower and 229 lb-ft of torque. The C 350 Coupe adds even more power with a direct-injection V6 with 302 horsepower and 273 lb-ft of torque, swiftly accelerating from 0-100 km/h in just 6 seconds.

Additionally, 4MATIC™ is now available on the C 350 Coupe providing all-wheel stability and traction without compromising performance.

A curve in the road, a spike in adrenaline.

The C-Class Coupe's AGILITY CONTROL suspension handles the delicate balance between sport and refinement. Its selective damping system features dampers at each wheel, which constantly adjust between harder and softer absorption depending on the road conditions. The result is a noticeably smoother ride, even when the road is not.

Capable of completely transforming the driving dynamics is the Dynamic Handling Package – a standard on the C 350 Coupe. With the simple push of a button, the C-Class Coupe can switch between sport and comfort styles, adjusting the damping system response, speed-sensitive power steering, ESP®/ASR traction control, accelerator response and the speed of automatic gear changes. Whatever the occasion calls for, you'll be more than prepared.

As proof that sporty driving can still be efficient, the ECO Start/Stop² engine function saves fuel by turning off the engine automatically when the vehicle comes to a halt for more than 2 seconds. All of the interior functions and comfort systems will continue to operate, and the engine will start immediately when the driver presses the accelerator. With the wide range of driving dynamic options available on the C-Class Coupe, you'll be ready for any occasion.

What comes between you and the road.

The C-Class Coupe wheel options are designed with the same philosophy as the rest of this inspired vehicle. Style, substance and safety are the cornerstones of Mercedes-Benz, and none of them were spared while developing these impressive wheels.

The 7G-TRONIC PLUS automatic transmission; one of over 18 million automatic transmissions produced in a period spanning more than 50 years.

Safety should never be left to chance.

The integral safety concept from Mercedes-Benz is the guiding force behind a series of linked technologies that come into play in the critical moments before, during and after an accident. On the C-Class Coupe, the available Driving Assistance Package provides an even greater pre-empt against danger. Passive Blind Spot Assist¹ provides a visual warning if a vehicle is detected in the driver's blind spot. Passive Lane Keeping Assist¹ identifies when the driver is leaving the lane unintentionally. The driver is warned by means of a vibration in the steering wheel. When reversing with little room to spare, PARKTRONIC² can assist by providing visual and audible signals to warn of a risk of collision.

The rear view camera makes parking easier when space is at a premium.

Passive Blind Spot Assist is available as part of the optional Driving Assistance Package.

NECK-PRO head-restraints offering instant support and protection in the event of a collision.

¹Standard on the C 63 AMG Coupe. Available as part of the Driving Assistance Package on all other models. ²Available as part of the Premium Package.

The C-Class is equipped with 11 standard airbags which provide substantial support in the event of a collision.

AMG

C 63 AMG Coupe in Diamond White.

Evoking the spirit of racing tradition.

Confidence and character are rooted deep within the C 63 AMG Coupe. From the full colour instrument cluster to the steering wheel with a flat top and bottom, every inch of this vehicle has been carefully crafted to ensure a priority on performance. From exceptional acceleration to virtually seamless downshifting, the C 63 AMG Coupe is the ideal equation of refinement and performance.

The AMG Performance Package offers 30 additional horsepower, providing a remarkable total of 481 hp and top speed of 280 km/h.¹ Additional performance features include a limited-slip differential, tire pressure monitoring system and AMG trunk lid spoiler in carbon fibre.

19" AMG multi-spoke wheels.

designo.

Exclusive paints. Fine cut leathers. Carefully crafted trims. Consider these the finishing touches of an automotive masterpiece. Made from only the highest quality materials, *designo* options add a whole new dimension to the C 63 AMG Coupe's awe-inspiring design. Fitted as standard on the C 63 AMG Coupe, *designo* interior options result in a very attractive interior and complement this exceptional vehicle with a character as distinguished as your own.

Visit mercedes-benz.ca/designo for additional details and configurator options.

C 63 AMG Coupe interior adorned in *designo* leather upholstery.

Exclusive appointments provide an unmatched interior character.

The final touches.

Added nuances and unique refinements are just the things to make your C-Class Coupe a distinctively richer driving experience. Mercedes-Benz Genuine Accessories are designed and built to the highest standards for engineering, quality, style and function.

Rear Spoiler

Add this rear spoiler for a more athletic look for your C-Class, and watch as it subtly accentuates the trunk lines of your vehicle. Tailor-made of high-quality material for quick installation and a perfect fit. It comes primed, ready for painting.

Roof Rack Basic Carrier

Our basic carrier is an essential component for attaching a wide assortment of items to the top of your C-Class. After easy installation, you can securely attach and lock bicycles, ski and snowboard racks, or a cargo container (shown). (Racks and containers sold separately).

Illuminated Door Sill Panels

The white illuminated Mercedes-Benz lettering is activated every time you open the door to get in or out. These illuminated door sill panels, in ground stainless steel, are a further “highlight” of the C-Class.

Trunk Tray

Simple to clean, non-slip, and precision tailored to the load area, this odourless tray prevents loads from sliding around and protects the carpet from spills and dirt.

A passion for things done right.

A passion for craftsmanship and attention to detail – it’s what you’d expect from Mercedes-Benz, setting us apart from all other manufacturers. It drives us to set new standards in design, performance, comfort and safety. To continually build on the legendary traditions of Mercedes-Benz, and to provide you with an ownership experience that includes the valuable benefits described below.

24-hour Roadside Assistance

During the basic warranty coverage of 48 months and the time duration of the optional Extended Limited Warranty, Mercedes-Benz Roadside Assistance will be at your service. We'll bring you some gas, replace a flat tire with your spare, or jumpstart your car. In the event of a mechanical breakdown, if attempts by our Roadside Assistance technician have not made your vehicle safely operable, towing service will be provided to the nearest Mercedes-Benz dealership. Assistance is available 24 hours a day, every day, to anyone driving a Mercedes-Benz anywhere in Canada or the continental U.S.¹

Wear and tear period

The following parts listed are covered for wear and tear during the first 24 months or 40,000 km, whichever comes first. Brake pads, brake discs, brake pad wear sensors and light bulbs.

Mercedes-Benz warranties

The Mercedes-Benz New Vehicle Limited Warranty covers defects in materials or workmanship for 48 months or 80,000 km, whichever comes first. To widen your window of confidence, you can opt for a Mercedes-Benz Extended Limited Warranty as well.²

Customer service

Owning a Mercedes-Benz means that when you have a question, we’re here to help. Customer Service is open from 9 a.m. to 5 p.m. EST, Monday through Friday, and is staffed with knowledgeable Mercedes-Benz experts who can talk you through the finer points of working your car’s audio system – or even assist you in locating the nearest Mercedes-Benz dealership. Just call 1-800-387-0100. It’s that simple.

Trip interruption reimbursement

If a breakdown covered by your New Vehicle Limited Warranty or optional

Extended Limited Warranty occurs more than 80 km from your home, leaves your Mercedes-Benz vehicle inoperable or unsafe to drive, and requires overnight repairs, we’ve got you covered. You will be reimbursed up to \$500 for hotel accommodations and up to \$600 for alternative travel expenses per incident while your car is being repaired at an authorized Mercedes-Benz dealership.

¹Vehicle must be accessible from main roads. Roadside Assistance may involve charges for parts, service and towing. Depending on the circumstances, these services may be provided by an outside service provider, courtesy of Mercedes-Benz Roadside Assistance. For full details of the Roadside Assistance Program, please see your dealer. ²Please see your dealer for warranty details as well as for terms, conditions and pricing for extended warranty options.

Mercedes-Benz is virtually yours.

Visit mercedes-benz.ca and open an online window to Mercedes-Benz Canada. Revel in the incredible photography of our vehicles and get a visceral impression of what it would be like to see yourself behind the wheel. Access information about any of our vehicles, including financing and leasing options, upcoming models, and configure your dream Mercedes online. Our website also offers details about the Mercedes-Benz Extended Limited Warranty, vehicle ownership, and much more on the fascinating story behind one of the world's most recognizable brands.

To be continued. With a test drive.

Nowhere is your C-Class so convincing as on the road. It's only there that you can fully experience the superior handling and power that makes this car so special. Feel the engine move you forward, and watch your heart rate rise with the speedometer. That unique feeling in your stomach cannot be put down on paper. That's why we would like to invite you in for a test drive at your local Mercedes-Benz dealer. Reserve your appointment today, or visit mercedes-benz.ca.
