A person is lying on their back in a field of tall, golden-brown grass. They are wearing blue jeans and a red and white plaid shirt. Their hands are clasped together near their head. A brown hat is lying on the grass next to them. In the background, there are dark green trees and a clear sky. The overall mood is peaceful and contemplative.

The best roads are never straight.

The twists and turns are what make our journeys worth talking about. And no matter what curves life throws at you, the 2014 GLK will deliver you safely, comfortably and in style. And with plenty of room for stories.

A dark blue SUV is shown from the rear, driving on a rugged, rocky mountain path. The vehicle is kicking up a cloud of dust and debris from the uneven ground. The background features jagged, snow-capped mountain peaks under a clear, bright sky. The overall scene conveys a sense of adventure and off-road capability.

Designed for the most refined adventures.

Wherever the road takes it, the GLK faces the world with an aggressive, wide stance. Its sculpted headlamps, integrated LED Daytime Running Lights, enlarged front air dams, and a simulated chrome underguard demand attention. Optional aluminium running boards and panoramic sunroof make the GLK even more impossible to ignore – whether your travels take you downtown or out-of-town.

Styling that exceeds other standards.

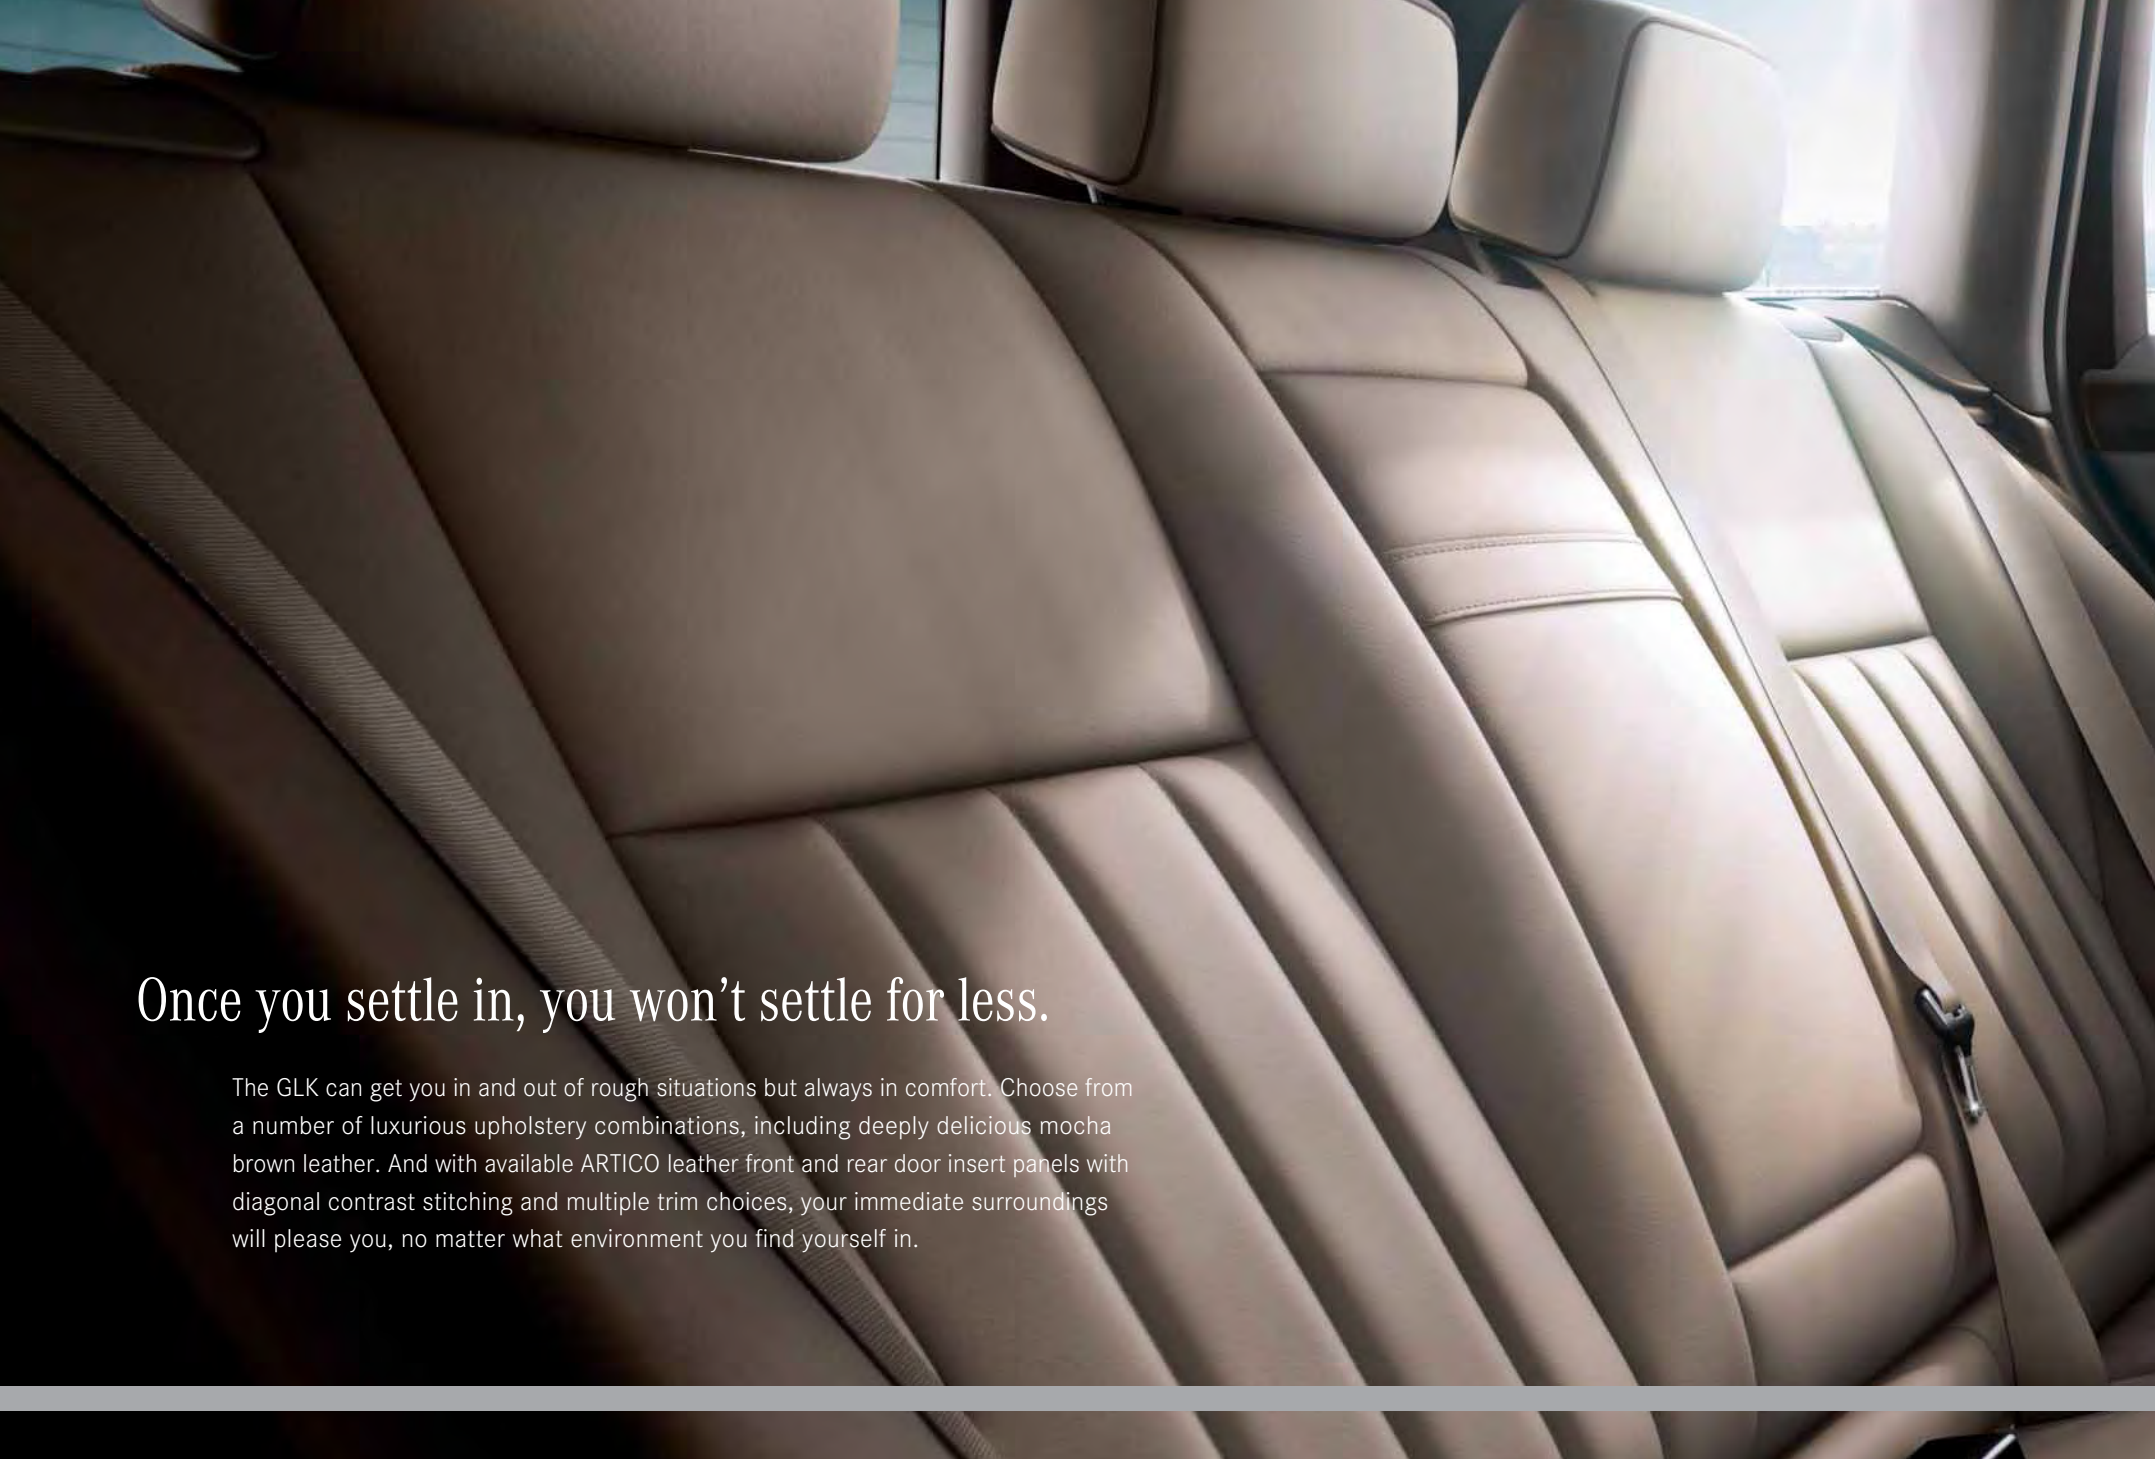

An unmistakable front apron, side skirts and rear bumper with black diffuser panel insert are the distinctive elements of GLK's available AMG styling. Whether you're arriving at the cottage – or leaving for a gala performance – the GLK always makes an emphatic statement.

A detailed view of the front interior of a Mercedes-Benz GLK. The image shows the driver's side with black leather upholstery, a center console with a silver handbrake, and a dashboard with a circular air vent and control buttons. The text "Possessed of inner beauty." is overlaid on the lower right portion of the image.

Possessed of inner beauty.

The cabin of the GLK is an experience in itself. The dashboard presents a 4.5" instrument cluster with colour display, circular air outlets and a centre console with illuminated storage. The 3-spoke sport Nappa leather steering wheel boasts 12 multifunction buttons and paddle shifters. Underfoot, available stainless steel sport pedals with rubber studs further exemplify the union of ultimate comfort and precise control that is the GLK.

Once you settle in, you won't settle for less.

The GLK can get you in and out of rough situations but always in comfort. Choose from a number of luxurious upholstery combinations, including deeply delicious mocha brown leather. And with available ARTICO leather front and rear door insert panels with diagonal contrast stitching and multiple trim choices, your immediate surroundings will please you, no matter what environment you find yourself in.

Easy on the eyes, both inside and out.

Inside, instrumentation is configured for enhanced readability and function: the colour scheme of the instrument cluster and central display is contemporary; the cruise control layout, together with the multifunction signal lever, is naturally intuitive. Outside, vivid paint colours enhance the bold lines of the vehicle's styling.

The DIRECT SELECT lever frees up the middle console and allows for additional storage space between the driver and front passenger seats.

The instrument cluster and all main displays feature a modern colour scheme for enhanced visibility.

The sound will also transport you.

Travelling in a GLK is as thrilling to your ears as your other senses, thanks to the optional harman/kardon® LOGIC7® surround sound system featuring 12 high-performance speakers and a total output of 510 watts. SiriusXM is also available and includes a 6 month complimentary subscription¹ featuring over 120 channels of the best in audio entertainment. Get 100% commercial-free music from every genre, plus sports, news, talk and comedy – all with crystal-clear, coast-to-coast coverage. SiriusXM, along with a standard USB input, optional Media Interface with iPod® integration, available COMAND navigation system featuring a 6 disc CD/DVD changer and LINGUATRONIC voice control, provide an entertainment and communication landscape that is as varied as the scenic one.

The available COMAND navigation system features a 7" full colour display.

12 high-performance speakers including a woofer, give you first-class acoustics in all seats and constant listening pleasure with the harman/kardon® LOGIC7® surround sound system.

¹Complimentary service is comprised of a SIRIUS package for 6 months. Monthly subscription required for service thereafter. © 2013 Sirius XM Canada Inc. "SiriusXM", the SiriusXM logo, channel names and logos are trademarks of Sirius XM Radio Inc. and are used under licence.

Fuel economy. In a class of its own.

This is the all-new BlueTEC diesel engine. The twin-turbocharged inline 4-cylinder diesel that makes the 2014 GLK 250 BlueTEC 4MATIC™ the most fuel-efficient compact all-wheel-drive SUV in Canada.

7.2 L/100 km

combined city/highway fuel economy (estimated)

The smoothest way to shift your perspective.

Smooth getaways come standard as the GLK comes equipped with the highly sophisticated 7G-TRONIC PLUS automatic transmission. Thanks to small ratio increments between gears, the 7G-TRONIC PLUS promises extra smooth gearshifts with no perceptible interruption in power flow.

19" Triple 5-Spoke Wheels¹

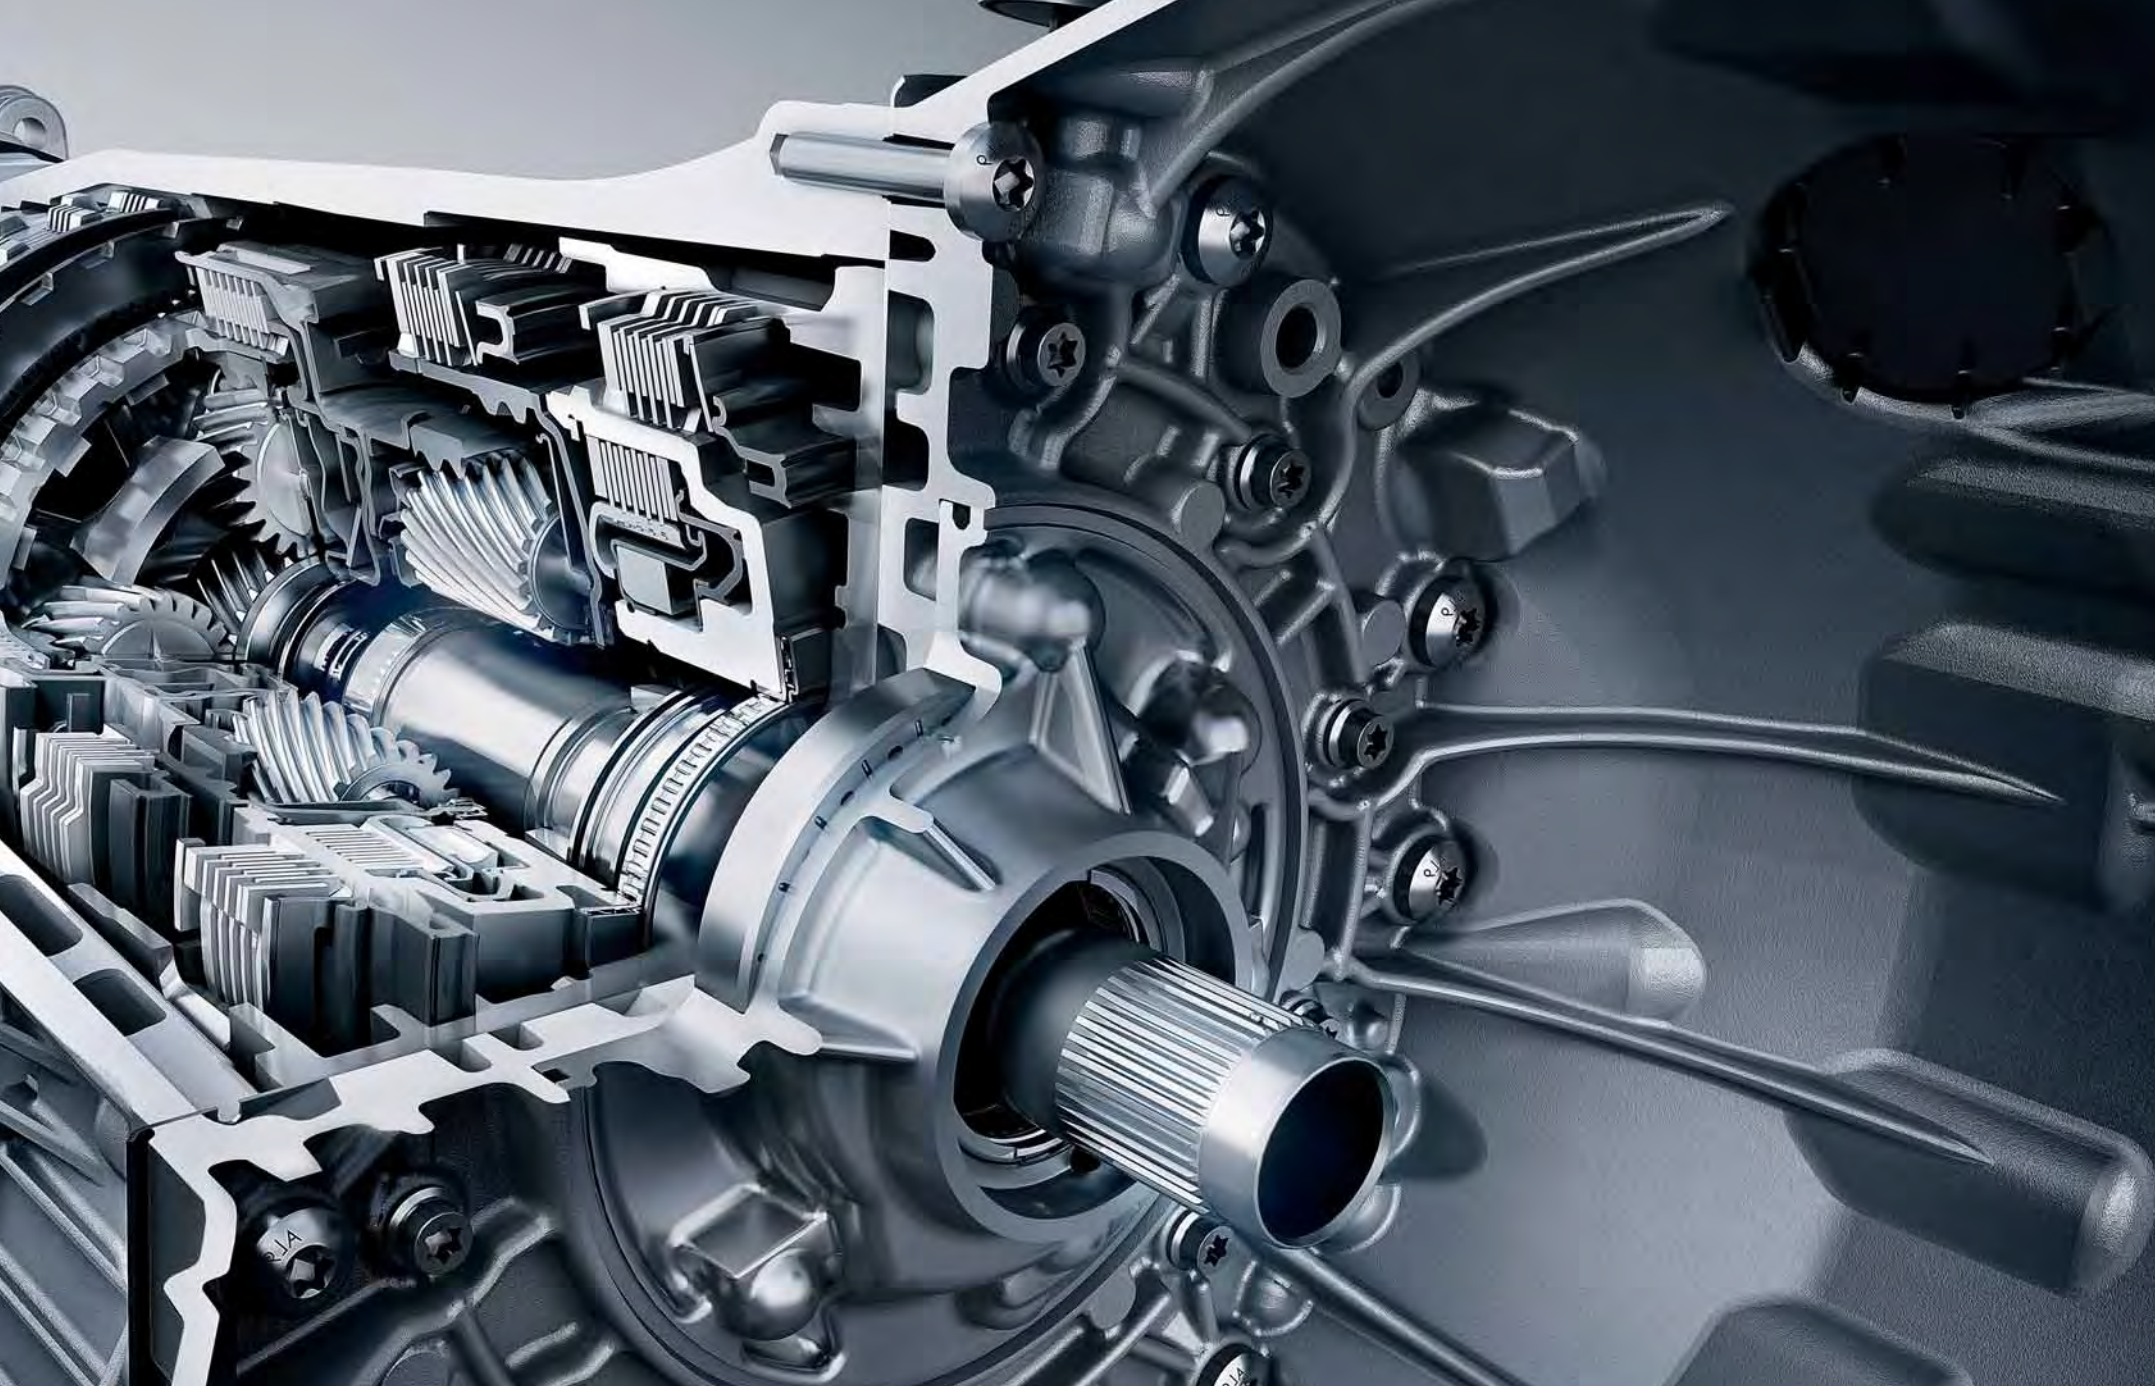

20" Twin 5-Spoke Wheels²

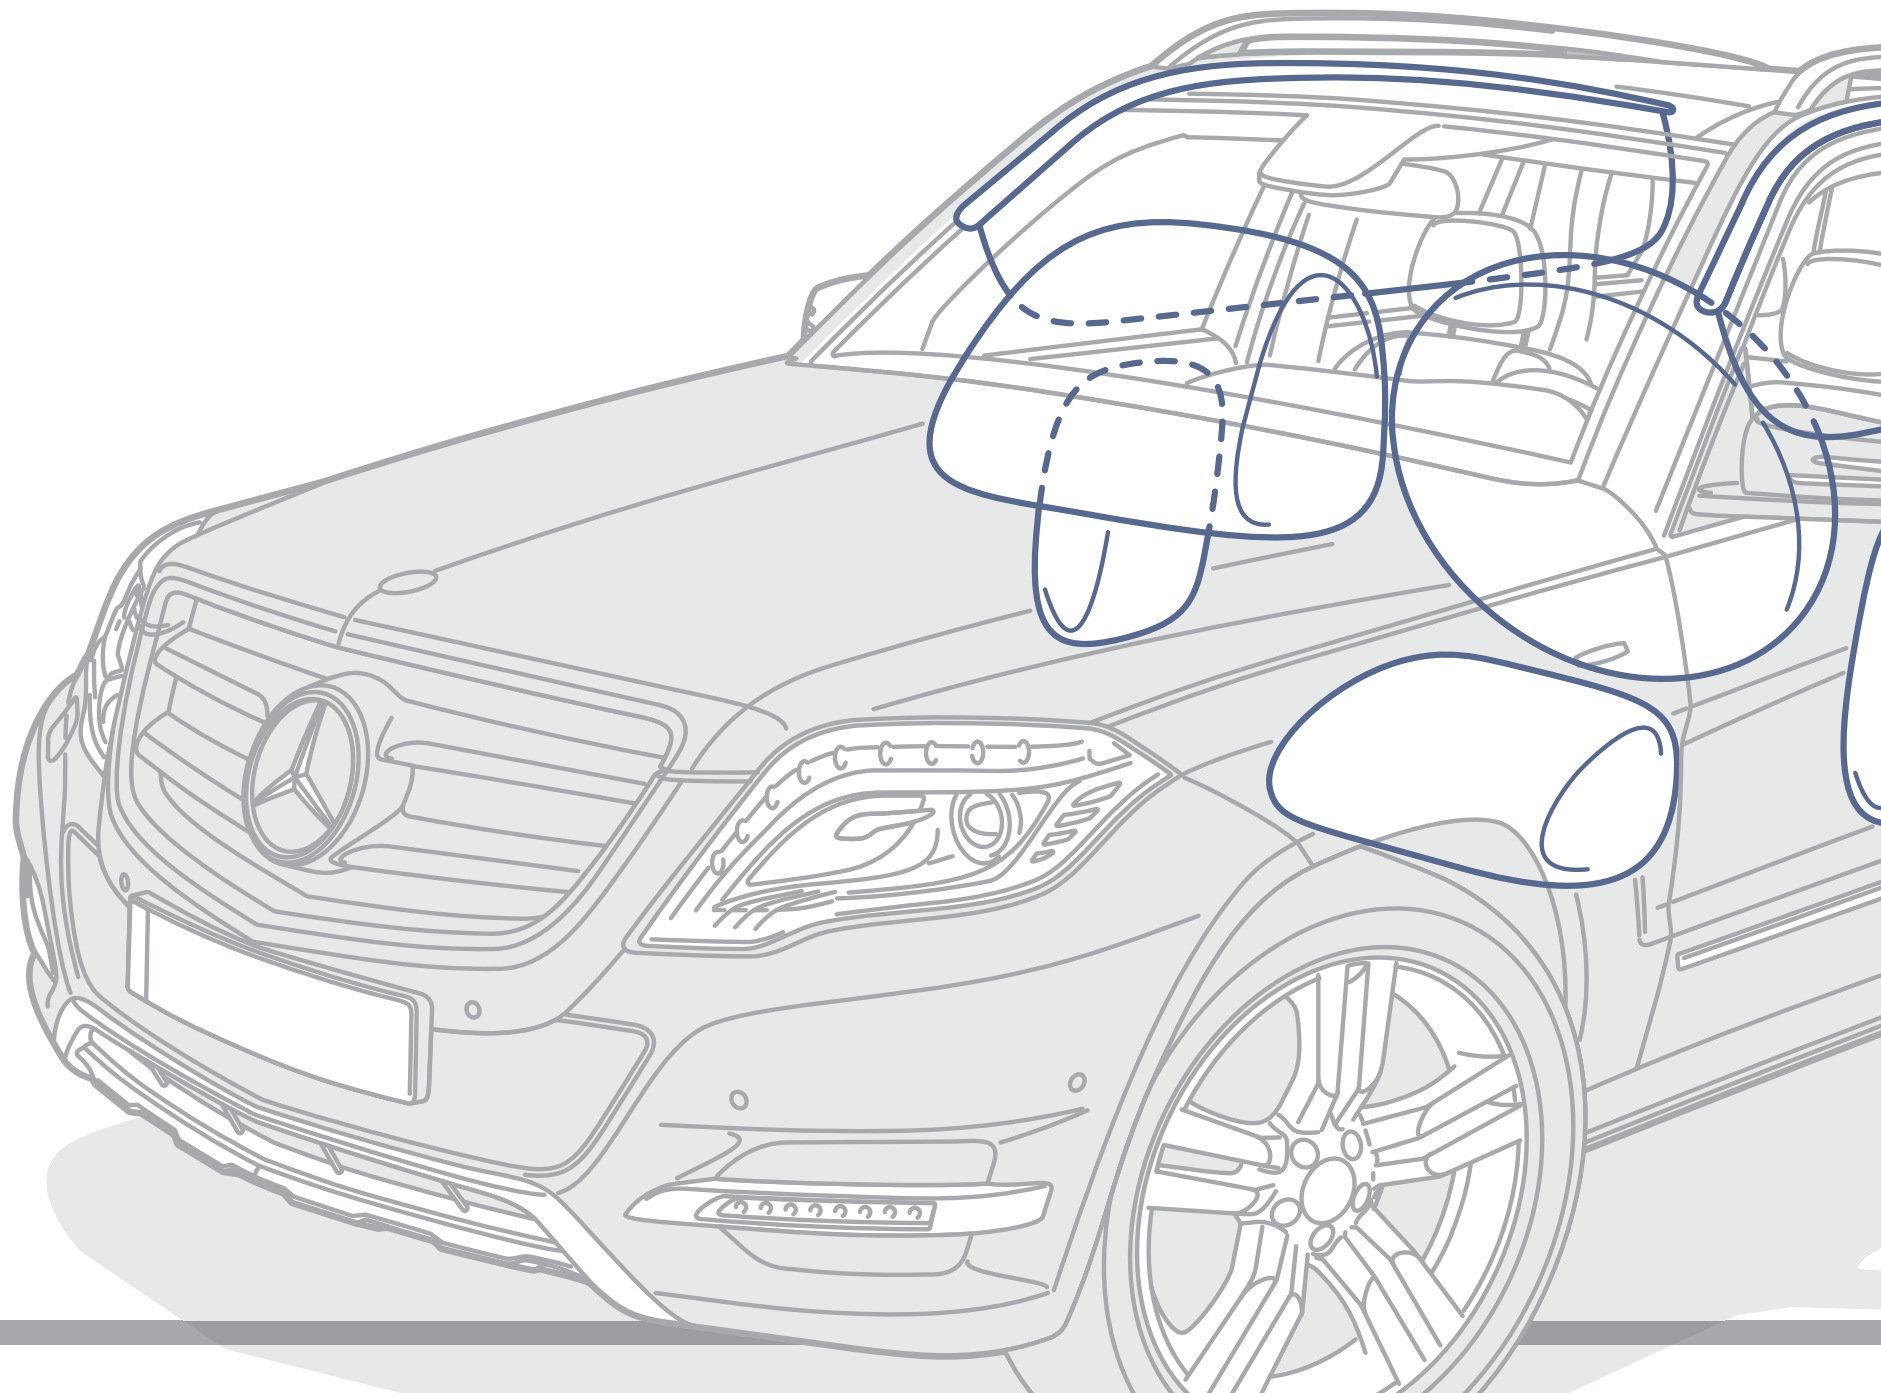

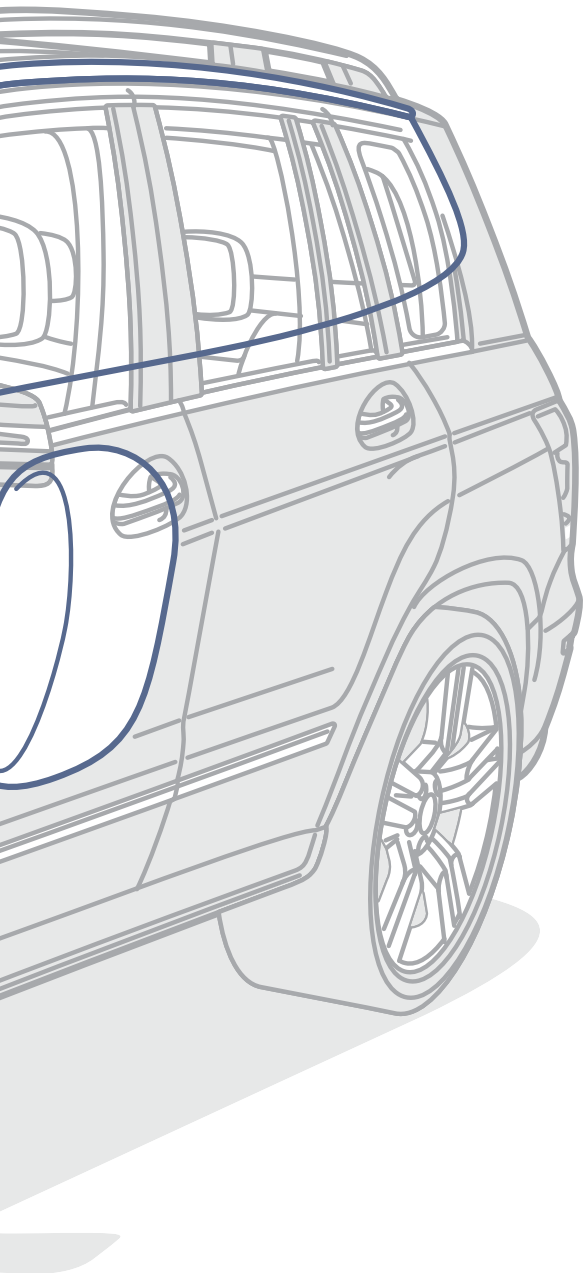

20" AMG Twin 5-Spoke Wheels³

¹Standard on GLK 250 BlueTEC 4MATIC™. ²Standard on GLK 350 4MATIC™. ³Available as a standalone option.

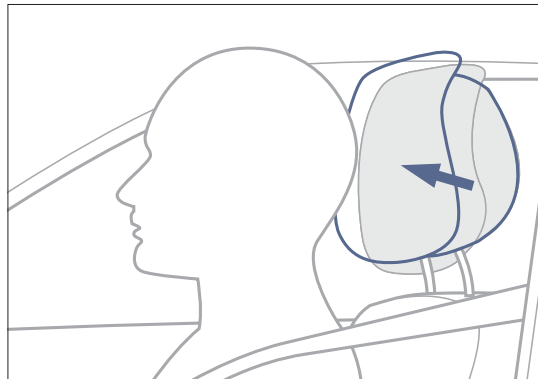

Be ready for what's just around the corner.

The GLK is fully equipped with safety features: Standard ATTENTION ASSIST continuously monitors the driver for signs of fatigue, while available Passive Blind Spot Assist provides a visual and audible warning should an unsafe lane change be detected.

NECK-PRO head restraints minimize the effects of whiplash.

Distinct or distinguished, you decide.

Choosing the right colour is what makes an automobile yours. Available in two striking solids and nine captivating metallic options, the GLK is ready to make a statement. And with each paint benefitting from a clear coat resistant to scratches, sunlight, temperature variations and dust, the only thing it won't resist is being noticed.

¹Standard upholstery. Man-made leather. ²Optional upholstery.

Accessories that go with any outfit.

They're not just finishing touches, they're extensions of your personality. Mercedes-Benz accessories are crafted to the highest standards of quality, function and style, raising your GLK from standard to spectacular.

**Running Boards:**

Aluminium-effect running boards with black, non-slip rubber studs add a distinctive look to the GLK.

**Roof Spoiler:**

This durable roof spoiler extends the roof line coupe-style into the rear window, giving the rear a more compact, powerful look. Visibility is not affected.

**iPad® Integrated Docking Station:**

This ergonomic, crash-proof device introduces the iPad® and all of its familiar functions to the GLK. All connections remain accessible while the mount can be tilted and rotated around 90° in every direction. An integral USB port means you can also charge the battery using your charging cable.

**Basic Carrier Bars:**

Aluminium carrier bars, precision-tailored to the body of the GLK, offer the perfect basis for a range of Mercedes-Benz transport solutions: ski and snowboard rack, bicycle rack or roof boxes. Easy to install without the use of tools, thanks to the new, innovative quick-release fasteners.

**Chrome Door Cups:**

High-sheen chrome door cups protect the recess behind the door handle from scratches and offer a high-quality, unique look.

A lasting attention to detail.

A passion for craftsmanship and precision – it's what you expect from Mercedes-Benz, and it drives us to set new standards in design, performance, comfort and safety. To build on these legendary traditions and to provide you with an outstanding ownership experience, your GLK will include the valuable benefits described below.

24-hour Roadside Assistance

During the basic warranty coverage of 48 months and the duration of the optional Extended Limited Warranty, Mercedes-Benz Roadside Assistance will be at your service. We'll bring you some gas, replace a flat tire with your spare, or jumpstart your car. In the event of a mechanical breakdown, if attempts by our Roadside Assistance technician have not made your vehicle safely operable, towing service will be provided to the nearest Mercedes-Benz dealership. Assistance is available 24 hours a day, every day, to anyone driving a Mercedes-Benz anywhere in Canada or the continental U.S.¹

Wear and tear period

The following parts listed are covered for wear and tear during the first 24 months or 40,000 km, whichever comes first. Brake pads, brake discs, brake pad wear sensors and light bulbs.

Mercedes-Benz warranties

The Mercedes-Benz New Vehicle Limited Warranty covers defects in materials or workmanship for 48 months or 80,000 km, whichever comes first. To widen your window of confidence, you can additionally opt for a Mercedes-Benz Extended Limited Warranty.²

Customer service

Owning a Mercedes-Benz means that when you have a question, we're here to help. Customer Service is open from 9 a.m. to 5 p.m. EST, Monday through Friday, and is staffed with knowledgeable Mercedes-Benz experts who can talk you through the finer points of working your car's audio system – or even assist you in locating the nearest Mercedes-Benz dealership. Just call 1-800-387-0100. It's that simple.

Trip interruption reimbursement

If a breakdown covered by your New Vehicle Limited Warranty or optional Extended Limited Warranty occurs more than 80 km from your home, leaves your Mercedes-Benz vehicle inoperable or unsafe to drive, and requires overnight repairs, we've got you covered. You will be reimbursed up to \$500 for hotel accommodations and up to \$600 for alternative travel expenses per incident while your car is being repaired at an authorized Mercedes-Benz dealership.

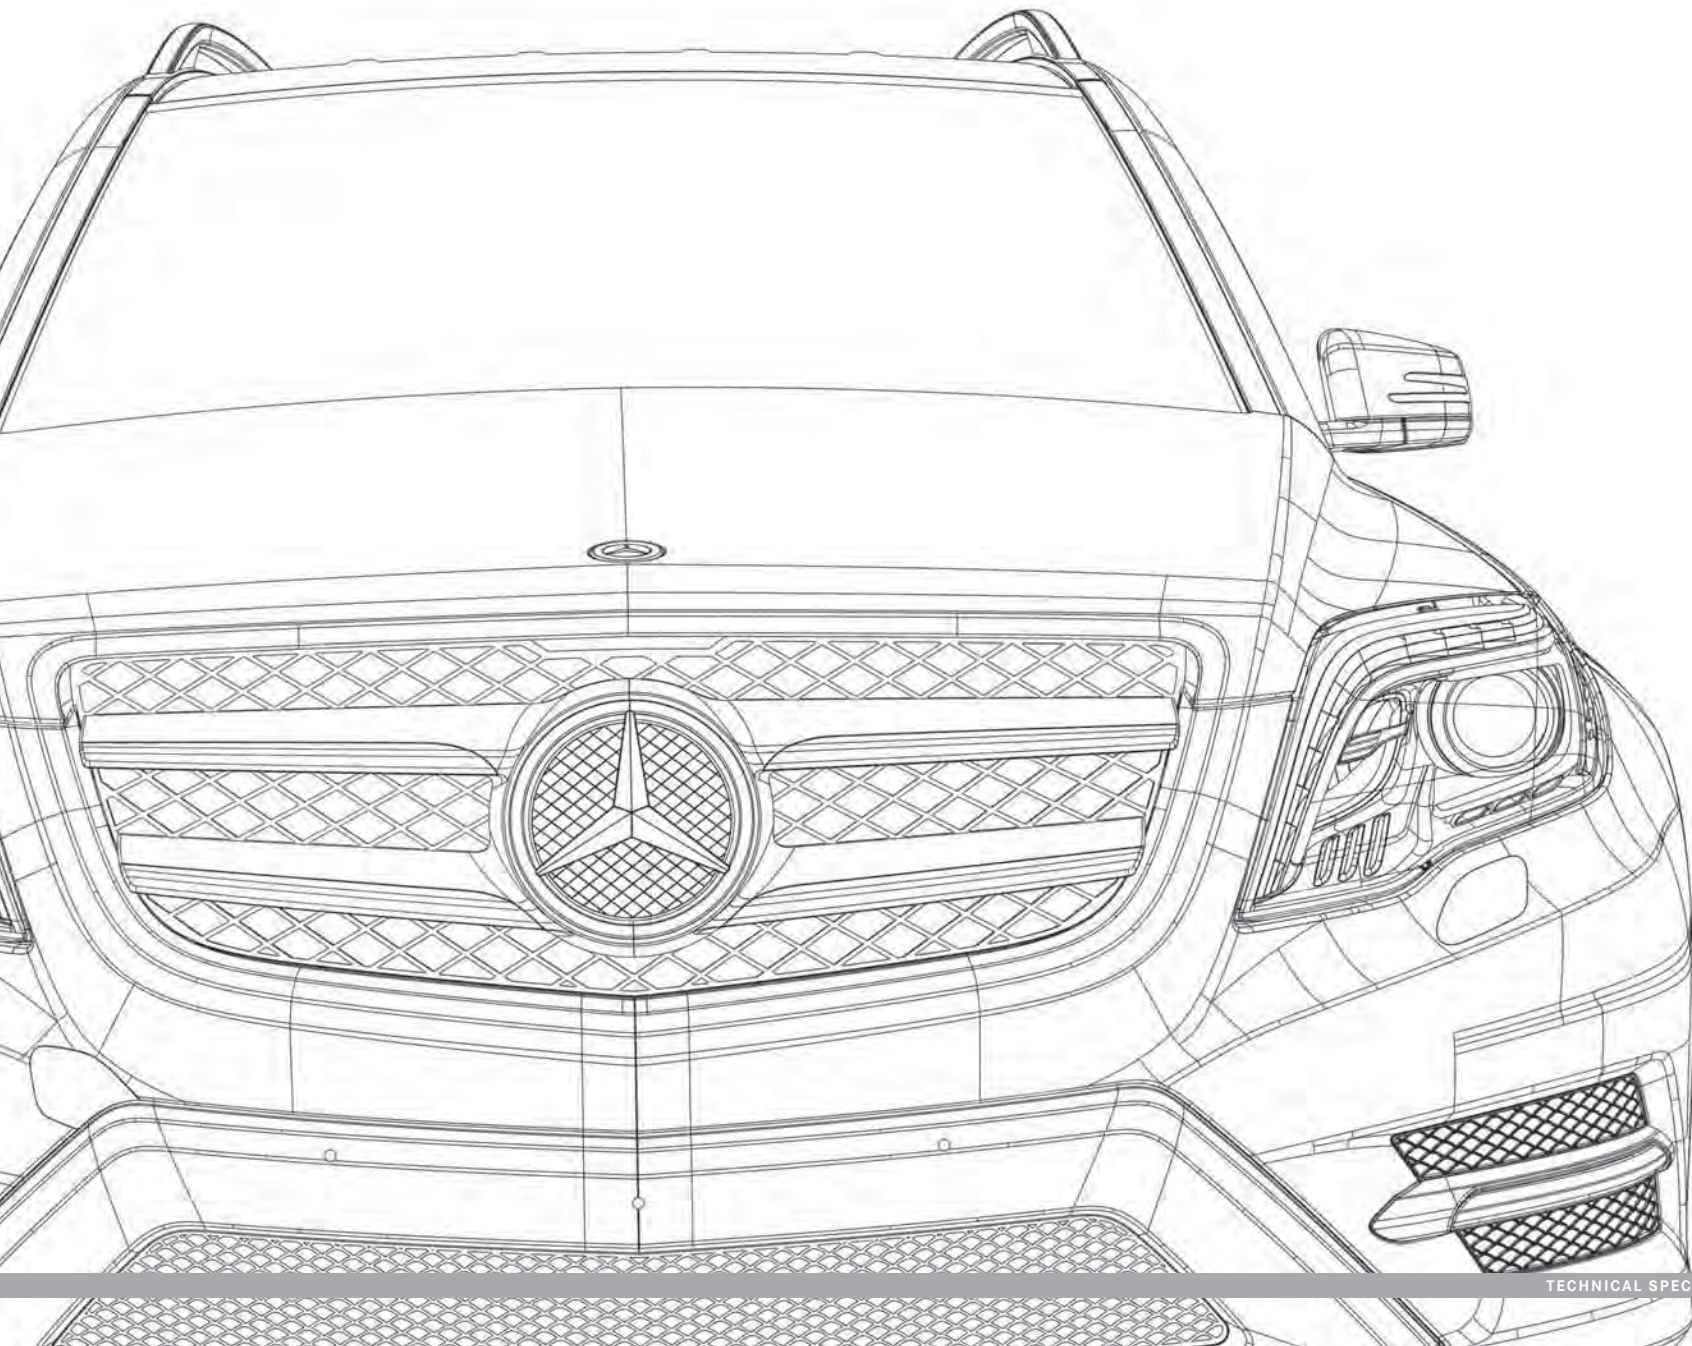

¹Vehicle must be accessible from main roads. Roadside Assistance may involve charges for parts, service and towing. Depending on the circumstances, these services may be provided by an outside service provider, courtesy of Mercedes-Benz Roadside Assistance. For full details of the Roadside Assistance Program, please see your dealer. ²Please see your dealer for warranty details as well as for terms, conditions and pricing for extended warranty options.
