

The 2015 CLA.

Mercedes-Benz
The best or nothing.

The 2015 CLA.

Here it is. The 2015 CLA: a next generation Mercedes-Benz, designed for the next generation Mercedes-Benz owner. The CLA is full of personality, style – and yes, performance.

Style, unleashed.

There's sleek ferocity to the 2015 CLA's striking air intakes, chiselled hood, and upswept headlamps. A diamond-studded grille exudes confidence. 17" bicolour 5-spoke wheels and frameless doors impart slip-through-the-wind slickness. Then twin chrome exhausts and strips of LEDs further define it – rewarding the eye from any angle. Inside, a form hugging, adjustable with memory sport, heated front seat cradles the driver. A 3-spoke Nappa leather steering wheel puts an array of multifunction buttons and shift paddles to hand. The new generation 7" full colour display with Bluetooth connectivity adds a forward touch and the standard 12 colour ambient lighting bathes it all in a contemporary glow.

Responsible, reactive and ready to go.

Three driving modes – Economy, Sport,

and Manual – dictate how the CLA's power is unleashed while standard ECO Start/Stop technology, means fuel is conserved. The CLA also boasts active (and standard) safety features. COLLISION PREVENTION ASSIST PLUS identifies the threat of imminent rear-end collision, ensuring that autonomous partial braking is applied if the driver fails to react. ATTENTION ASSIST notices if you're drowsy, and warns you accordingly.

The world at your command.

The latest generation of COMAND is now equipped with an internet browser and MB Apps that allow you to browse the internet while stationary and use Mercedes-Benz Apps while on the move. You can search via Google, download your route via Google maps and view images from available traffic cameras.
