

2017 GLA SUV

Fits in anywhere. Stands out everywhere.

Mercedes-Benz

The best or nothing.

Authentic SUV design

With a confident stance and athletic stride, the GLA's muscular shape reflects both its rich SUV heritage and its own rugged engineering. Advanced aerodynamics enhance its efficiency and roadholding. Side sills and flared wheel arches are outlined in resilient matte black cladding, wrapping the body around the big wheels. And chrome roof rails and an integrated rear spoiler highlight the tautly arched roofline.

Versatile, refined cabin

Even with its generous passenger room and flexible cargo space, the GLA puts a clear focus on driving enjoyment. Its displays and controls are ideally placed, with a new, larger 7" freestanding central screen atop the deeply hooded dashboard. Circular air vents with aluminized rings, standard KEYLESS-START, and numerous choices in premium upholstery and trim assert that it's both a true SUV and a genuine Mercedes-Benz.

18", 19" and 20" alloy wheels

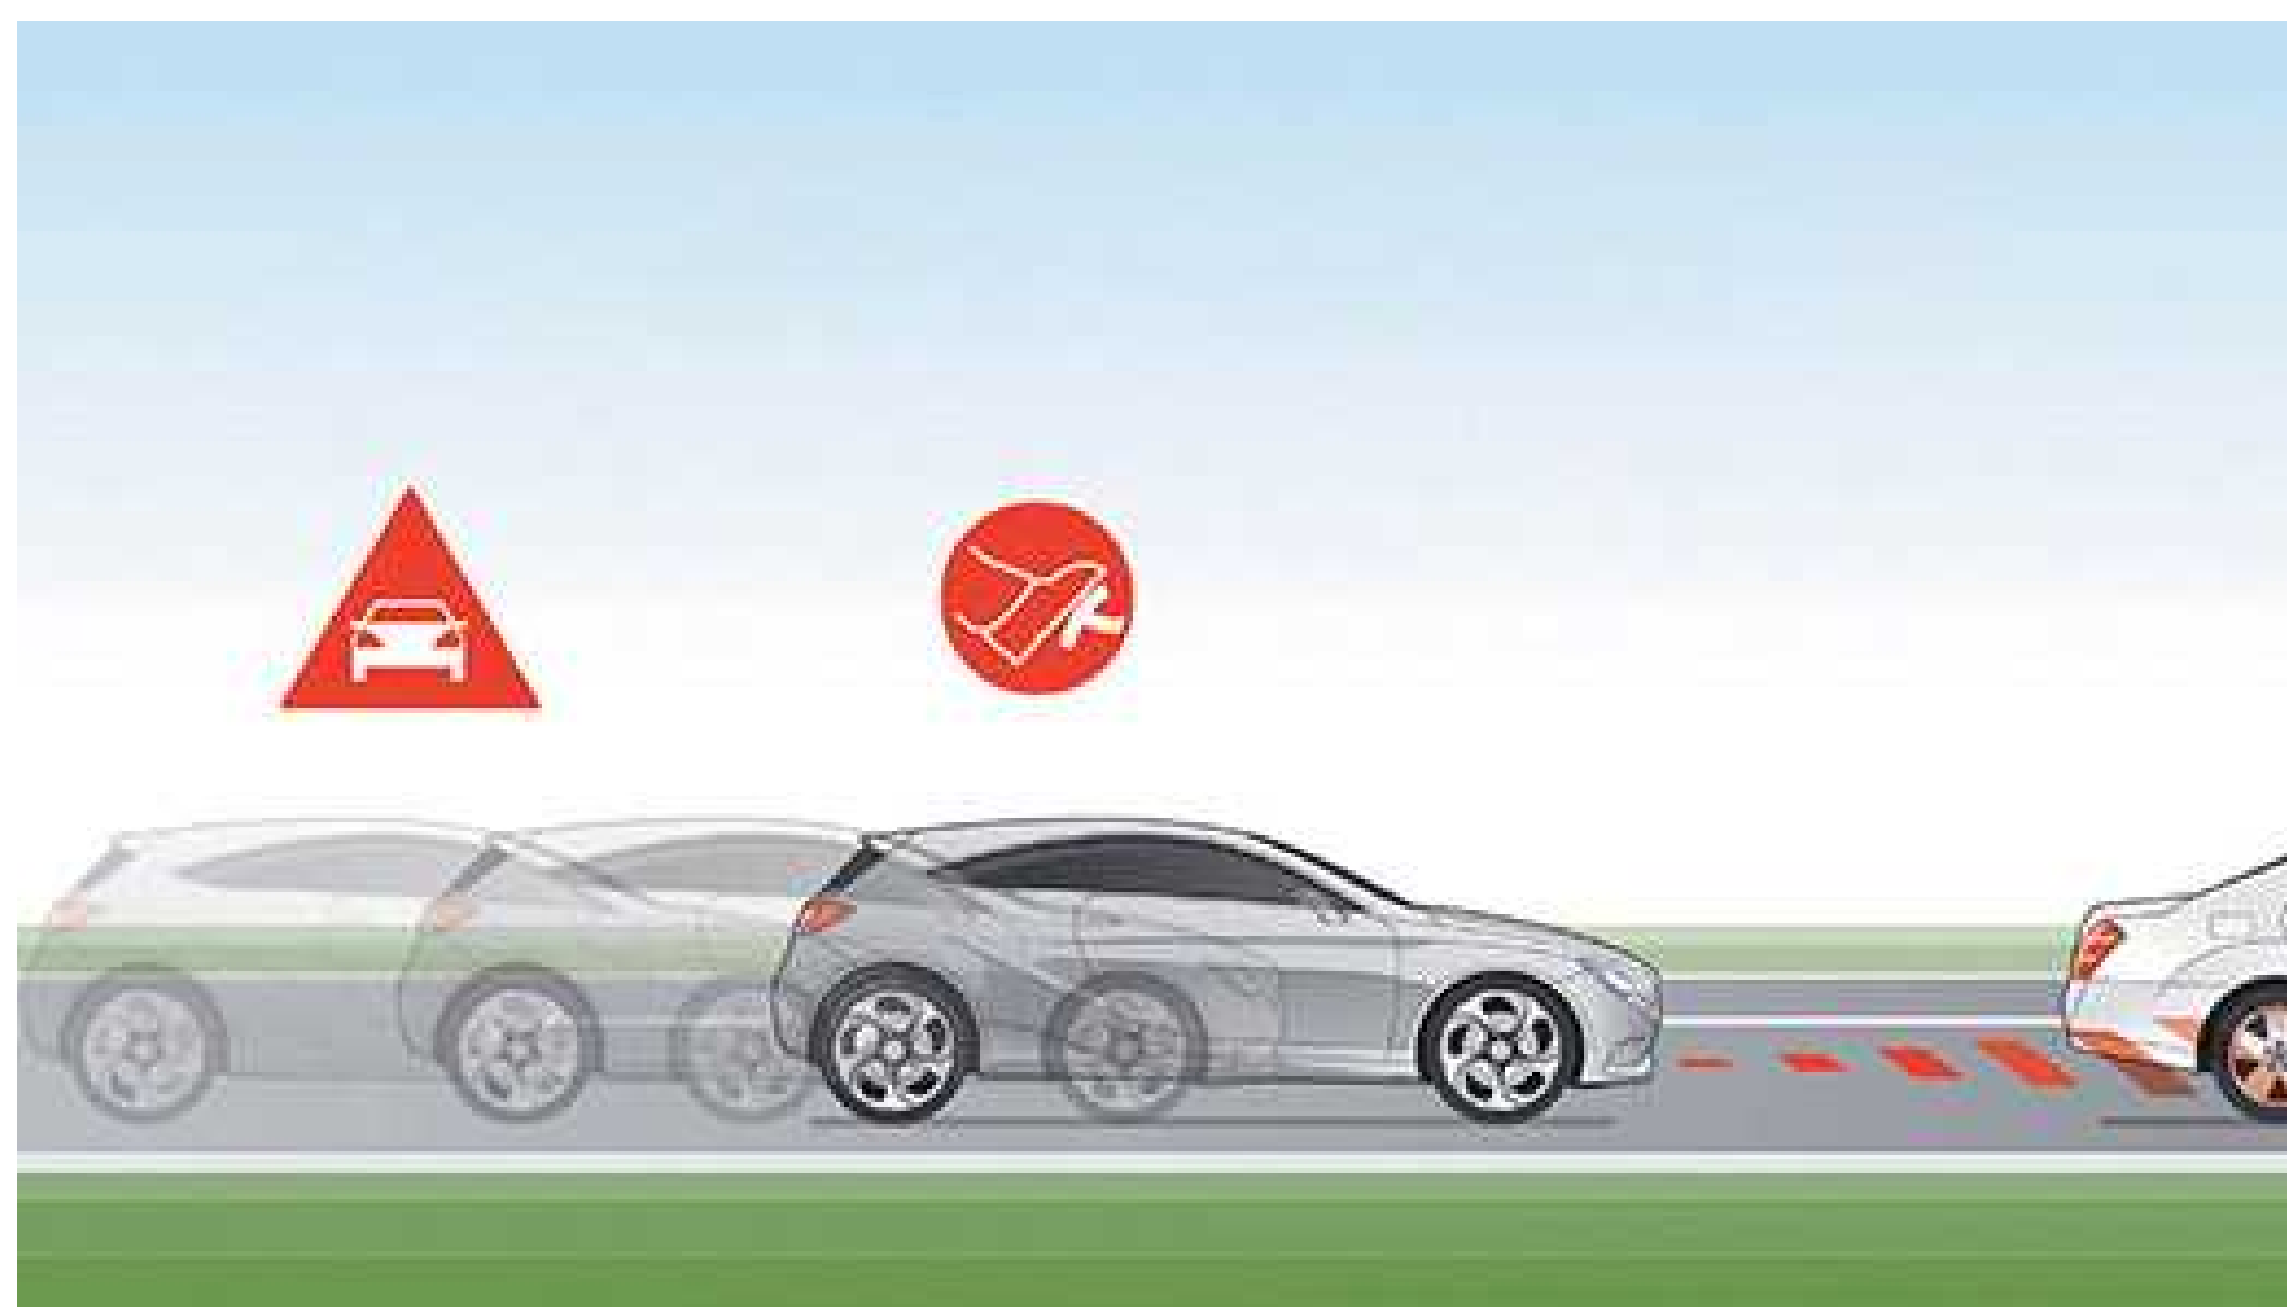

Generously sized and precisely engineered alloy wheels combine impeccable handling with undeniable style. Big, beefy 18" wheels are standard in the GLA 250 4MATIC with 19" options including legendary AMG wheels in the Sport Package. On the GLA 45 AMG 4MATIC, choose standard 19" AMG wheels or one of two 20" options.

Available Parking Assist with Parking Pilot

U.S. model shown

Parking Assist's ultrasonic sensors help detect obstacles while you're negotiating tight spaces, alerting you with audio-visual indicators in the cabin. The clever Parking Pilot can help you find a parking space, then expertly steer you in hands-free. An available rearview camera shows a live color view of the area behind your GLA on the in-dash screen. And active on-screen steering guidelines help you back up more smoothly.

Advanced collision avoidance

Radar-based Active Brake Assist can alert you to a potential collision with a vehicle ahead, and autonomously apply up to 60% braking force from speeds up to 105 km/h, to help prevent a collision or reduce its severity. ATTENTION ASSIST can automatically alert you if it detects signs of drowsiness on long trips. It continuously monitors up to 70 parameters of driving behavior, and can even help you navigate to a rest area.

Adaptive braking technology

Pioneering technology boosts your confidence and comfort. Lift off the accelerator quickly, and Predictive Brake Priming pre-charges the brakes for quicker response. In the rain, Automatic Brake Drying periodically acts to sweep away water build-up. Hill-Start Assist helps prevent unwanted rollback when you're taking off on a grade. And a brake HOLD feature can help make driving in stop-and-go traffic less stressful.

Heated 12-way power front seats with memory

Intuitive seat-shaped controls help you find your ideal driving position with 12-way power adjustment, including power lumbar support, and a 3-position memory system — all standard for the driver, and optional for the front passenger. The front seats are also heated and include adjustable cushion length for added thigh support, standard.

Available EASY-PACK power tailgate

A remote-controlled power tailgate is a luxury you'll appreciate in the rain or with an armful of packages. A sensor automatically stops the tailgate if it detects an obstruction, and you can set an opening-height limit for low ceilings. The tailgate's wiper sweeps automatically if you shift to Reverse while the front wipers are on. A chrome sill plate helps protect the rear bumper while you're loading the generously sized cargo area.

Freestanding display with central controller

A big 7" high-resolution colour display and intuitive central controller on the console give you convenient control of audio, video, hands-free calling and more. Many features can also be accessed via the integrated steering-wheel controls. The Premium Package includes an even larger 8" display plus new Apple CarPlay™ and Android™ Auto, which integrate your smartphone with the car's controls and display. COMAND Online voice-controlled navigation, Internet access and MB Apps, is also available.

GLA 250 4MATIC Direct Injection turbo I4 engine

The advanced GLA 250 4MATIC engine makes more power from less fuel, with less waste. Its twin-scroll turbo quickly spins up to 230,000 rpm, and all of the engine's 258 lb-ft of torque is on tap at just 1,250 rpm. The rapid-multispark ignition and high-pressure Direct Injection can fine-tune their response in a millisecond.

4MATIC all-wheel drive

From a loose surface to a tight corner, a new generation of 4MATIC all-wheel drive adds to your driving confidence on any road, in any season. Continually monitoring for wheel slip, it can instantly send up to 50% of the engine's torque to the rear wheels. Yet it's one of the lightest, most efficient AWD systems in its class. On the GLA 45 AMG 4MATIC, AMG Performance 4MATIC's 3-stage ESP and torque-vectoring Dynamic Cornering Assist further intensify the vehicle's handling, agility and fun.

New DYNAMIC SELECT

Wherever you drive, the 7-speed dual-clutch transmission delivers an ideal blend refinement, response and efficiency. Its advanced design combines smooth, easygoing automatic shifting with sporty paddle-shifted manual shifting on command. DYNAMIC SELECT lets you choose any of four driving modes – from ECO to Sport – for the shifting, throttle, steering and more.

Handcrafted Mercedes-AMG GLA 45 4MATIC turbo I4 engine

The most powerful 4-cylinder in production, the handcrafted Mercedes-AMG GLA 45 4MATIC engine produces 375 hp from its compact 2.0 litres. It also boasts the highest hp/litre in the industry, due in part to an intercooled twin-scroll turbocharger pumping out a class-leading 26 psi of boost. Outputting 350 lb-ft of torque starting at just 2,250 rpm, and rushes from 0 to 100 km/h in a mere 4.4 seconds.

7-speed AMG SPEEDSHIFT dual-clutch transmission

The aggressively geared 7-speed DCT combines a racing-derived dual-clutch design with AMG SPEEDSHIFT technology. Quicker-shifting than a human, its shift paddles and rev-matched downshifts provide instant response. Carbon fibre friction linings optimize the response and durability of its fast-acting synchros. AMG DYNAMIC SELECT offers five driving modes, including an Individual mode you can set up for yourself.

AMG Driver's Package and new Track Package

A suite of performance upgrades starts with the AMG RIDE CONTROL sport suspension. Its two-stage adjustable damping teams with 20" AMG 10-spoke wheels to hone handling to a brilliant edge. Two settings for the sport steering can be enjoyed via the AMG Performance steering wheel. The new AMG Track Package takes it even further, adding a limited-slip differential, DINAMICA microsuede cockpit trim, and a higher top speed.

Premium Package

A popular suite of premium luxuries you'll soon consider must-haves, with enhancements in everyday convenience and year-round enjoyment.

Available on all models.

Rear view camera

For a better view of what's directly behind your vehicle when reversing, a wide-angle camera displays a live view on the in-dash screen. Active parking guidelines on the screen help you back into a parking space.

Panoramic sunroof

Included on GLA 45 AMG 4MATIC only. Available individually on GLA 250 4MATIC.

This expansive power glass sunroof lets both front- and rear-seat passengers enjoy a majestic view of blue skies or a blanket of stars. It can either tilt up for ventilation or slide back for an open-air feeling. A sliding shade helps filter out the sun's rays.

THERMOTRONIC dual-zone automatic climate control

Separate left and right digital temperature controls allow the driver and passenger to enjoy personalized comfort. In addition to fully automatic or manual control of blower speed and airflow distribution, the system includes a dust and pollen filter that helps keep particles as small as five microns from entering the cabin.

Blind Spot Assist

At speeds above 30 km/h, radar technology helps sense when a vehicle enters your blind-spot area. The system automatically alerts the driver via an illuminated red icon in the appropriate side mirror. Blind Spot Assist also issues an audible warning if you activate a turn signal while a detected vehicle is in your blind spot.

Premium Package cont.

A popular suite of premium luxuries you'll soon consider must-haves, with enhancements in everyday convenience and year-round enjoyment.

Available on all models.

COMAND Online navigation with MB Apps

Included on GLA 45 AMG 4MATIC only. Available individually on GLA 250 4MATIC.

This state-of-the-art GPS navigation system features advanced voice control, in-vehicle Internet access and an ever-growing array of useful MB Apps.

8" central media display

A high-resolution 8" colour screen brings the car's many entertainment and information features vividly to life. It's the ideal visual complement to the advanced connectivity features included or available on the GLA.

Apple CarPlay

Apple CarPlay™ brings an entirely new interface and variety of apps to your Mercedes-Benz. Integrating with the in-dash colour screen, central controller and steering-wheel controls, Apple CarPlay looks and works like your iPhone®. By linking your iPhone and Siri® to your car, you can make calls, read or dictate text messages aloud, navigate to a destination, stream music, enjoy podcasts and audiobooks from a variety of sources, and more.

Android Auto

Android™ Auto lets you enjoy a number of useful features of your Android phone using the car's in-dash colour screen and controls. By linking your smartphone and the Google Now voice assistant with your car, you can make calls, read or dictate text messages aloud, navigate to a destination, stream music, enjoy podcasts and audiobooks, and more.

Premium Plus Package

Additional luxury and convenience features to make every drive a delight.

Available on all models.

Requires Premium Package.

EASY-PACK power tailgate

For added convenience in the rain or with an armful of packages, you can open and close the tailgate with the touch of a button on the SmartKey remote, the driver's door panel or on the open tailgate. In addition to an obstruction sensor, you can set the system to limit the opening height for low ceilings.

KEYLESS-GO

KEYLESS-GO lets you unlock, start and drive away without removing the SmartKey from your pocket or purse. You can lock and unlock the doors with a touch of the exterior handles, and start the engine via the KEYLESS-START pushbutton in the dash.

Auto-dimming mirrors

As sensors on the inside mirror detect the headlights of vehicles behind you, both the inside and driver-side mirrors gradually darken to reduce reflected glare. To help maintain your rearward vision, dimming is automatically cancelled when you shift to Reverse or if an interior light is switched on.

Power-folding exterior mirrors

Both side mirrors electrically fold in at the touch of a button, helping to save space in tight parking areas. They can also be programmed to fold in automatically when you remote-lock the vehicle.

Premium Plus Package cont.

Additional luxury and convenience features to make every drive a delight.

Available on all models.

Requires Premium Package.

harman/kardon® LOGIC7® premium sound

Included on GLA 45 AMG 4MATIC only. Available individually on GLA 250 4MATIC.

With 12 speakers and 450 watts of rich, full audio, the LOGIC7 system is specifically engineered for the GLA. Digital Dynamic Volume Control imperceptibly adjusts to maintain the sound spectrum, for consistent listening pleasure in varying driving conditions.

Integrated garage door opener

Three buttons on the rear view mirror can be programmed to operate many types of garage door openers, security gates and other HomeLink® compatible features.

Parking Assist with Parking Pilot

Included on GLA 45 AMG 4MATIC only. Available individually on GLA 250 4MATIC.

Parking Pilot helps you size up parallel-parking spaces as you drive by, using sensors in the bumper to determine if a spot can fit your car. It then expertly steers the car into the space while you control the accelerator and gear selection. In any low-speed manoeuvre, Parking Assist uses ultrasonic sensors in the bumpers to help detect nearby objects within its field of view. Audible signals and illuminated displays in the cabin help you navigate tight spaces with confidence.

Bi-Xenon headlamps

Standard on GLA 45 AMG 4MATIC

Bi-Xenon headlamps help deliver greater visibility than halogen headlamps because they're brighter, whiter light is much closer to natural daylight than traditional halogen bulbs. Along with a distinctive "birdseye" design, they include LED Daytime Running Lamps and front turn signals.

Premium Plus Package cont.

Additional luxury and convenience features to make every drive a delight.

Available on all models.

Requires Premium Package.

Storage Package

Convenient storage areas throughout the cabin help you manage items of varying sizes. An overhead sunglasses compartment, parcel net in the right footwell and underseat storage benefit the front cabin. Parcel nets on the front seatbacks give rear passengers a place to store magazines and other items.

Sport Package

Visual and functional enhancements that make the distinctive GLA 250 4MATIC even bolder.

Brushed aluminum trim

Brushed aluminum with a longitudinal grain adds a sleek highlight to the GLA 250 dash.

AMG 19" 5-spoke wheels

Sporty 19" AMG bicolour alloy wheels feature five ultrathin, tapered spokes with darkened inlays. They're fitted with low-profile all-season tires.

Sport brake system

Perforated front brake discs help to better resist brake fade, while painted callipers feature contrasting "Mercedes-Benz" lettering.

AMG body styling

The GLA 250's true spirit of performance takes shape in the AMG lower bodywork. An aggressive front air dam features large mesh air intakes and a wraparound shape that draws the wind – and the eye – past the sculpted side sills and all the way around to the seductively styled rear apron.

Exclusive Package

Further elevate the stylish refinement of the GLA 45 AMG 4MATIC cabin with supple leather and impeccable details.

Requires Premium Plus Package / Not available with AMG Exclusive Package

Leather upholstery

Supple, full-grain leather is impeccably tailored and fitted by hand to the seating surfaces and head restraints.

ARTICO leather dashboard and door trim

The upper dash, upper doors and door inserts are each elegantly upholstered in richly grained ARTICO manmade leather.

AMG Exclusive Package

Celebrate the purebred performance of the GLA 45 AMG 4MATIC with leather seating and red accents throughout the cockpit.

Requires Premium Plus Package / Not available with Exclusive Package

Black RED CUT leather with red contrasting stitching

Distinctive red details add sporty contrast to the black seats and cabin trim. The seats and steering wheel feature red top-stitching, while red seat belts add a racy accent.

ARTICO leather dashboard with red contrasting stitching

The upper dash, upper doors and door inserts are each elegantly upholstered in richly grained ARTICO and impeccably top-stitched in red to match the seats.

AMG Driver's Package

Turn up the GLA 45 AMG 4MATIC's heat a little higher with a suite of performance upgrades.

AMG performance steering wheel

Pronounced contouring and thick padding are enhanced by racing-inspired DINAMICA side grips, along with flattened top and bottom sections. Dual aluminum AMG shift paddles provide instant control of gear changes.

AMG RIDE CONTROL sport suspension

Electronically controlled shock absorbers offer two levels of damping, both driver-selectable at the push of a button. The adaptive dampers also continuously adjust for an ideal balance of ride comfort and handling precision. The AMG speed-sensing sport steering system also varies its feel and effort based on the selected mode.

Red-painted brake callipers

Red-painted brake callipers with black AMG logos add some visual heat to the high-performance AMG brake hardware.

AMG performance exhaust system

Enhanced flow characteristics and reduced backpressure team up with an electronically controlled butterfly valve that tunes the system based on rpm, throttle and loads. The result is imposing performance with an intoxicating soundtrack.

AMG Driver's Package cont.

Turn up the GLA 45 AMG 4MATIC's heat a little higher with a suite of performance upgrades.

20" AMG 10-spoke wheels

Big on strength and size yet light in weight, 10-spoke AMG wheels feature machine-finished spokes and Titanium Silver inlays. They're fitted with 235/40R20 high-performance tires.

AMG Track Package

Further amplify the track-conquering prowess of the GLA 45 AMG 4MATIC.

AMG Performance steering wheel

Pronounced contouring and thick padding are enhanced by racing-inspired DINAMICA covering the entire rim, along with flattened top and bottom sections. Dual aluminum AMG shift paddles provide instant control of gear changes.

Limited-slip front differential

A locking factor under load helps prevent front-wheel slip and improve power application, especially when accelerating in corners or mixed-friction surfaces, by more precisely balancing front-wheel torque distribution.

Tire Pressure Monitoring System

The Tire Pressure Monitoring System (TPMS) can automatically detect a substantial loss of tire pressure in any wheel and alert the driver via a warning message in the multifunction display. The advanced TPMS can also display the numeric tire pressure for each mounted wheel.

Deletion of speed limiter

The electronically limited top speed receives a boost from the standard 250 km/h to 270 km/h. (Always obey local speed and traffic laws.)

AMG Track Package cont.

Further amplify the track-conquering prowess of the GLA 45 AMG 4MATIC.

DINAMICA cockpit trim

The dash insert is covered in DINAMICA microsuède, treating your eyes much as the same racing-derived material rewards your grip on the steering wheel.

Standalone Options

Make your GLA your own by choosing from a selection of innovative, thoughtfully designed and thoroughly engineered options.

Parking Assist with Parking Pilot

Available in Premium Plus Package on GLA 45 AMG 4MATIC

Parking Pilot helps you size up parallel-parking spaces as you drive by, using sensors in the bumper to determine if a spot can fit your car. It then expertly steers the car into the space while you control the accelerator and gear selection. In any low-speed manoeuvre, Parking Assist uses ultrasonic sensors in the bumpers to help detect nearby objects within its field of view. Audible signals and illuminated displays in the cabin help you navigate tight spaces with confidence.

SiriusXM Satellite Radio

Standard on GLA 45 AMG 4MATIC

SiriusXM® offers 150+ channels of premium digital entertainment, from news and talk to commercial-free music from every genre. Live broadcasts of pro and college sports keep you on top of your favorite games. Six months of service are included.

19" twin 5-spoke wheels

Available only on GLA 250 4MATIC

Chiseled styling and commanding size accentuate both agility and style. Machine-polished faces outline the thin perimeter and five pairs of spokes, further set off by three-dimensional pockets inlaid in a dramatic Gloss Black finish.

20" AMG 10-spoke Matte Black wheels

Available only on GLA 45 AMG 4MATIC

Ten tapering Matte Black spokes make a powerful statement, even as they virtually disappear against the prominent AMG brake hardware that they frame. A pencil-thin machine-finished silver perimeter brilliantly sets off the low-profile tires.

Standalone Options cont.

Make your GLA your own by choosing from a selection of innovative, thoughtfully designed and thoroughly engineered options.

AMG Aerodynamics Package

Available only on GLA 45 AMG 4MATIC

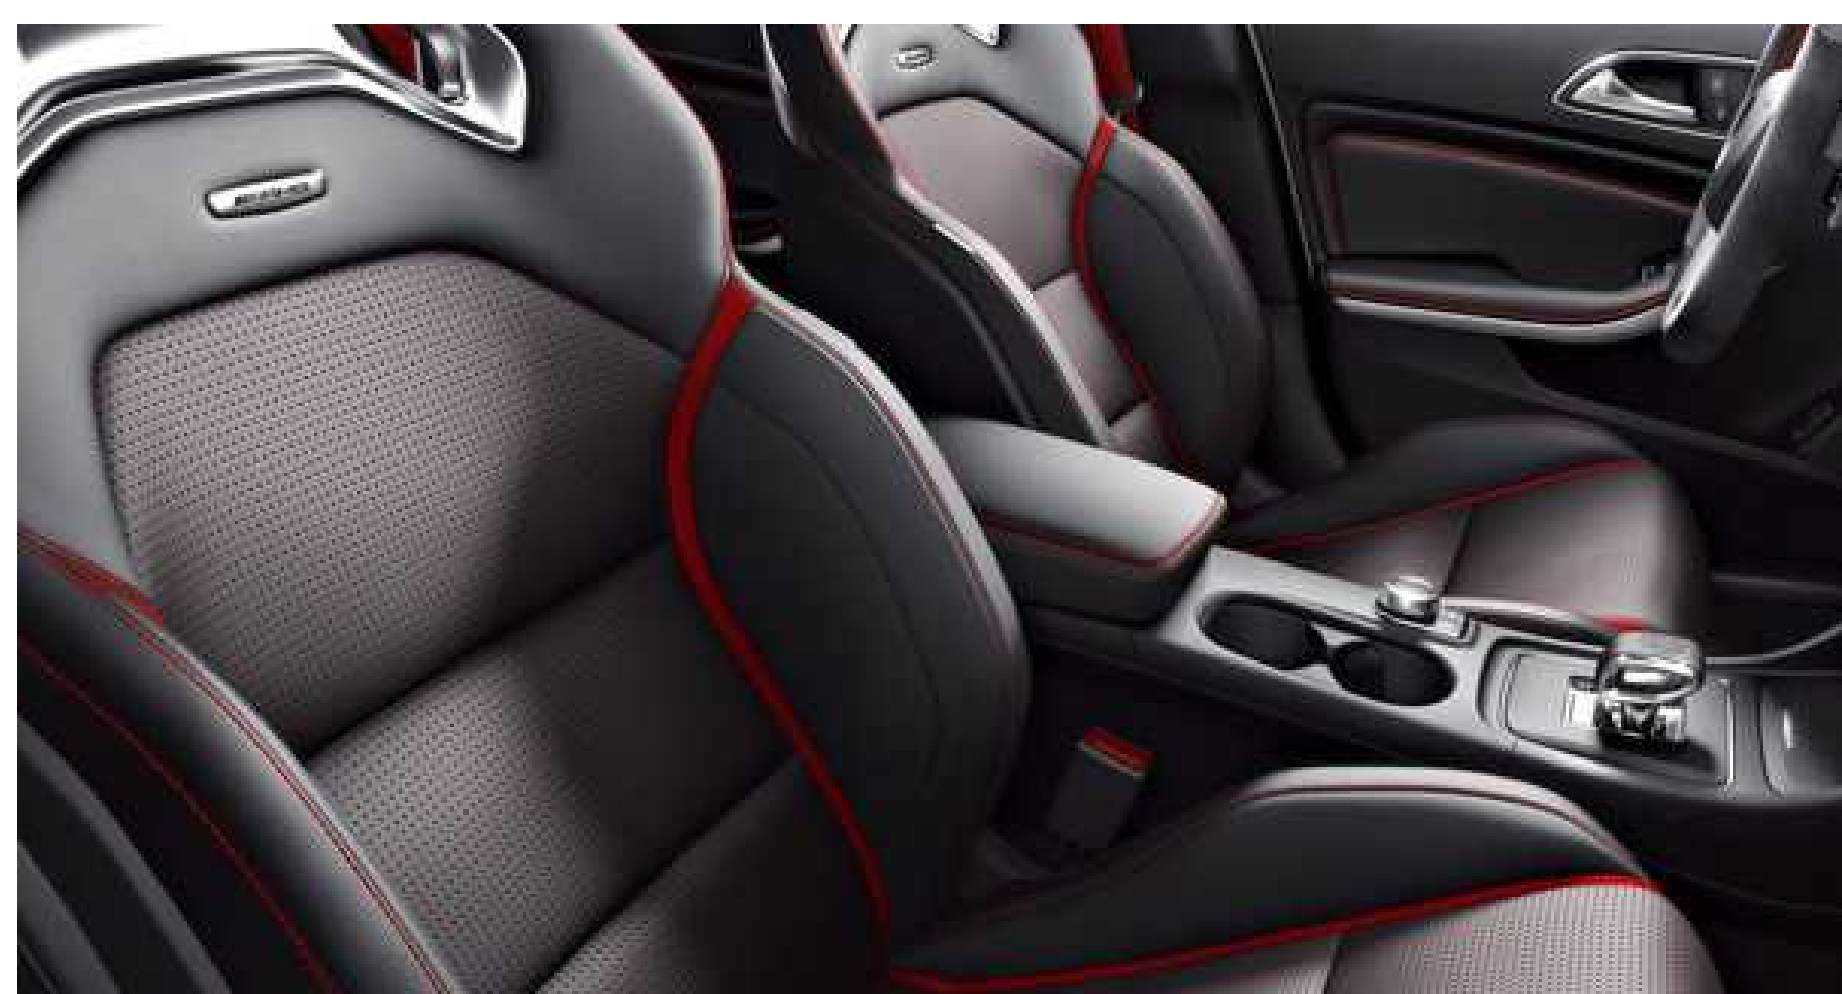

Already well-honed in the wind tunnel, subtle and not-so-subtle aerodynamic elements in a Gloss Black finish give the GLA45 AMG a razor-sharp edge. Along with a deeper front air-dam splitter, front apron “flics” fine-tune the airflow at the front corners. A rear wing spoiler mounted atop the rear hatch makes an emphatic parting statement.

AMG Night Package

Available only on GLA 45 AMG 4MATIC / Not available with AMG Carbon Fibre Package

Take your GLA 45 AMG to the dark side with the jet-black accents of the Night Package. The air-dam splitter, side mirrors, side-window trim, roof rails, side-sill inserts and rear diffuser are all finished in deep Gloss Black, complemented by black chrome tailpipes.

AMG performance front seats

Available only on GLA 45 AMG 4MATIC / Requires Exclusive Package or AMG Exclusive Package

Crafted by the renowned Recaro, these racing-inspired front seats feature exclusive stitching and metal AMG/Recaro badges to highlight their more aggressive contouring. The thigh support and side bolsters for both the cushion and seatback are all power-adjustable for a custom fit. They're available in the same four interior options as the standard seats, including the striking “Red Cut” leather option.

Power front passenger seat with memory

Standard on GLA 45 AMG 4MATIC

Power adjustment of the seat and head restraint height adds a luxurious degree of comfort for the front passenger. A 3-position memory system allows multiple passengers to save their favorite seat positions.

Mercedes-Benz Genuine Accessories

Exclusively engineered to fit your car and your life, they're the best way to make your GLA Class unmistakably yours while keeping it genuinely Mercedes-Benz.

Car care products

Keep the interior and exterior of your vehicle looking their best with our exclusive, specially formulated interior and exterior car care kits.

Cargo area tray

Protect your cargo-area carpeting with this durable, easy to clean plastic insert with 2" sides. Custom-formed to fit the cargo area of your vehicle.

Navigation update

Owning a navigation system is one thing. Keeping it up to date is another. Mercedes-Benz map update software keeps your maps and Points of Interest current with the latest information.

Wheel upgrades

Choose from a wide selection of stunning wheels to accentuate your style.

Mercedes-Benz Genuine Accessories cont.

Exclusively engineered to fit your car and your life, they're the best way to make your GLA Class unmistakably yours while keeping it genuinely Mercedes-Benz.

Roof accessories

Roof carrier bars allow for a variety of add-on accessories to be mounted to your vehicle. Choose from a ski/snowboard holder, roof box or bike rack. Carrier bars and add-ons sold separately.

Winter wheel & tire packages

Winter wheels and tires can play a major role in your safety and your vehicle's handling and performance on icy, snow-covered roads. Winter tires offer increased traction in harsh conditions and can reduce stopping distance by up to three car lengths.

Style and Travel Series

These elements attach behind the front head-restraint posts, and are simple to fit and remove. The modular system centers on a base support that can be combined with the product of your choice — universal hook, coat hanger or folding table.
