²The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£635.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%

Mercedes-Maybach S 650 – Exterior

The exterior design of the Mercedes-Maybach S-Class combines stylish poise and assurance with trailblazing exclusivity. The dramatic exterior lines convey an impression of power and dynamism. The prominent front end immediately asserts the ambition

to lead. The striking bonnet and sharply-defined headlight contours accentuate the high-tech character of the car. Its elegant looks are emphasised by the three twin louvres of the radiator trim in chrome complete with 'MAYBACH' lettering.

Closing aid for doors and boot lid

When initially engaged, doors and boot lid are automatically closed by servo motors, ensuring smooth and virtually silent closing

Doorhold system

Door mirrors – electrically operated, folding and heated

Exhaust system – with twin visible chrome-plated tailpipes

Heat-insulating, noise-insulating and infrared-reflecting laminated glass

KEYLESS-GO Comfort package – KEYLESS-GO, remote boot closing and hands-free access

Vehicle can be conveniently unlocked, started and locked, simply by carrying an electronic key. In addition, the convenient hands-free access function allows hands-off, fully automatic opening and closing of the boot lid by performing a kicking motion under the rear bumper – particularly useful when laden with luggage

LED rear lights

MAGIC BODY CONTROL with Curve Tilting Function

Features a highly-sensitive sensor system that scans the road ahead for bumps or potholes and then adjusts the car's suspension accordingly. Curve tilting allows higher cornering speeds with reduced body lean, thereby improving cornering stability, thus creating high levels of comfort.

MAGIC VISION CONTROL

Allows the driver the best possible visibility even during the wiping process. Washer fluid is sprayed directly in front of the wiper blades and wiped away without delay. A heating system effectively lowers the risk of icing up

MULTIBEAM LED with ULTRA RANGE Highbeam

Enables quick, precise adjustment of the driving lights to the current road and traffic conditions. The light can always be switched on precisely where it is required via 84 individually controllable LEDs. Adaptive Highbeam Assist Plus as part of MULTIBEAM LED allows the continuous use of high-beam headlights, as illuminated vehicles which are detected and which might be dazzled are excluded from the cone of light. The range of the ULTRA RANGE Highbeam reaches up to 642 m.

Panoramic sliding roof with MAGIC SKY CONTROL

Large panoramic roof changes from dark to transparent or vice versa within a few seconds. In its tinted state, it substantially reduces heating-up of the vehicle interior

Parking package – Active Parking Assist with PARKTRONIC and 360° camera

PARKTRONIC monitors front and rear while vehicle is being manoeuvred and warns the driver if risk of collision is detected. Active Parking Assist helps find appropriate parking slots and can also automatically manoeuvre the car in and out of perpendicular and parallel parking spaces

Privacy glass – from side windows of rear B-pillar round to rear window

Radiator grille with vertical chrome bars as well as three twin louvres with 'MAYBACH' lettering

Rear fog light in LED technology, in the centre of the rear apron

Remote boot lid release

Run-flat tyres

Speed-sensitive steering with variable steering ratio

'V12' lettering on front wings

Windscreen wipers including rain sensor with two sensitivity stages

Mercedes-Maybach S 650 exterior. Optional feature shown: emerald green metallic paint (code 989U)

Exhaust system – with twin visible chrome-plated tailpipes

Radiator grille with 'MAYBACH' lettering

Wheel choices

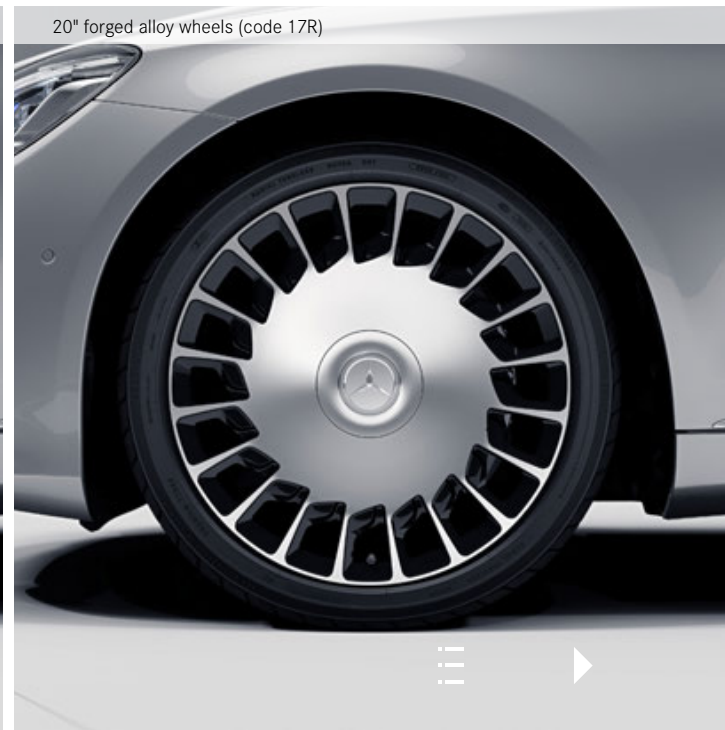

Choose between multi-spoke alloy wheels painted in thulium silver; or, instead of delicate spokes, exclusive 10- or 20-hole forged alloy wheels (available at no additional cost), which underline the flagship model's high-quality look.

20" multi-spoke alloy wheels painted in thulium silver (code 13R)

20" forged alloy wheels (code R91)

20" forged alloy wheels (code 17R)

20" alloy wheels (4) (code 13R) – standard
Multi-spoke design painted in thulium silver
front: 245/40 R 20 tyres, rear: 275/35 R 20 tyres

20" alloy wheels (4) (code R91) – no-cost option
Maybach 10-hole forged wheels
front: 245/50 R 20 tyres, rear: 275/35 R 20 tyres

20" alloy wheels (4) (code 17R) – no-cost option
Maybach 20-hole forged wheels
front: 245/50 R 20 tyres, rear: 275/35 R 20 tyres

Mercedes-Maybach S 650 – Interior

The interior of the Mercedes-Maybach S-Class indulges its passengers with a luxurious atmosphere of well-being. The cockpit impresses with its sophisticated, uncluttered design, an innovative control and display concept, and craftsmanship showing unerring attention to detail. Occupants of the Mercedes-Maybach S-Class travel in unsurpassed

comfort, relaxation and safety. Apart from ensuring excellent support, the luxurious seats offer six different massage settings. Memory functions for seats and headrests, as well as steering column and exterior mirrors can be stored and recalled at the touch of a button for up to three passengers.

12V sockets (4) – one in front and two in rear of centre console, and one in boot

AIR-BALANCE package

Premium scents are available to provide an individual atmosphere to suit your mood and taste. At the same time, a unique ionising and filtering process helps to enhance the air quality inside the cabin.

AGARWOOD MOOD is standard with the S-Class Maybach. A choice of high quality interior fragrances to suit personal preferences is available from Mercedes-Benz Accessories.

Ambient lighting – choice of 64 colour settings

Climatised front and rear seats including seat heating and ventilation

Cup holders – front (2) and rear (2)

Dual-bonded widescreen (12.3-inch) cockpit display with COMAND Online system

Electric roller sun blinds – rear window and rear side windows

Electric windows (4) with PRE-SAFE® closing function

ENERGIZING Comfort

Intelligent cross-linking of all comfort systems. Drivers can choose from six different expert-configured programs for activation and relaxation, depending on their personal needs.

Floor mats (4) – velour floor mats with ‘V12’ emblem

Replaced with designo floor mats when ordering the designo Exclusive semi-aniline leather

Front and Rear Seat Comfort package

Provides optimum lateral support by means of individually-controlled air chambers which inflate depending on steering angle, lateral acceleration and vehicle speed. Massage function has six different programs, with a choice of low- or high-intensity settings

Front and Rear Seat Memory package

Front seats, two outer rear seats, front head restraints, steering column and exterior door mirrors – electrically adjustable with memory and four-way lumbar support

Front centre armrest with embossed Maybach emblem

Diamond quilting replaces the embossed Maybach emblem when ordering the designo Exclusive semi-aniline leather

Garage door opener – integrated in rear-view mirror

For questions regarding compatibility please visit www.homelink.com

Glasses stowage compartment

Illuminated door sill panels with ‘MAYBACH’ lettering

Illuminated vanity mirrors in rear

IWC-design analogue clock

Map pockets on front and rear backrests

Parcel nets in boot and front passenger footwell

Reading lights – front and rear

Rear armrest including stowage compartment with cover
Replaced by Business Console which extends from the front centre console through to the parcel shelf when ordering the optional First Class Cabin package

Brown burr walnut wood trim with IWC-design analogue clock

Illuminated door sill panels with 'MAYBACH' lettering

Rear seat entertainment system

Rear Seat Reclining package

EASY ADJUST luxury front head restraints; front seats with extended adjustment; reclining outer rear seats (up to 43.5°) and additional leg rest and footrest

Rear sill protector in stainless steel

Service indicator ASSYST

Smartphone integration with Android Auto and Apple CarPlay™

Steering column – electrically adjustable with EASY-ENTRY function

Steering wheel – 3-spoke multifunction sports steering wheel in wood/black nappa leather, with Touch Control buttons and with 'MAYBACH' lettering

Sun visors with illuminated vanity mirrors

THERMOTRONIC four-zone automatic climate control in the front and rear

Warmth Comfort package

Heatable armrests in front and rear; heated multi-function steering wheel

Upholstery and trim choices

designo

The high-quality standard of the Mercedes-Maybach S-Class is impressively demonstrated in the material selection of the interior. There is the option to choose between designo Exclusive semi-aniline leather or Exclusive nappa leather.

designo Exclusive semi-aniline leather features

Centre part of dashboard partially finished in quilted diamond pattern in silk beige nappa leather

designo velour floor mats with designo badge

Front and rear centre armrests in nappa leather with diamond quilting (rear only with First Class Cabin package)

Seat upholstery layout featuring an exclusive diamond design on the entire seat centre section upholstery buttons and Budapest piping

Upper part of the dashboard and beltlines in nappa leather with piping and contrasting topstitching

'V12' badge in the backrests of front and rear seats

Exclusive nappa leather features

Front and rear centre armrests in nappa leather with contrasting topstitching

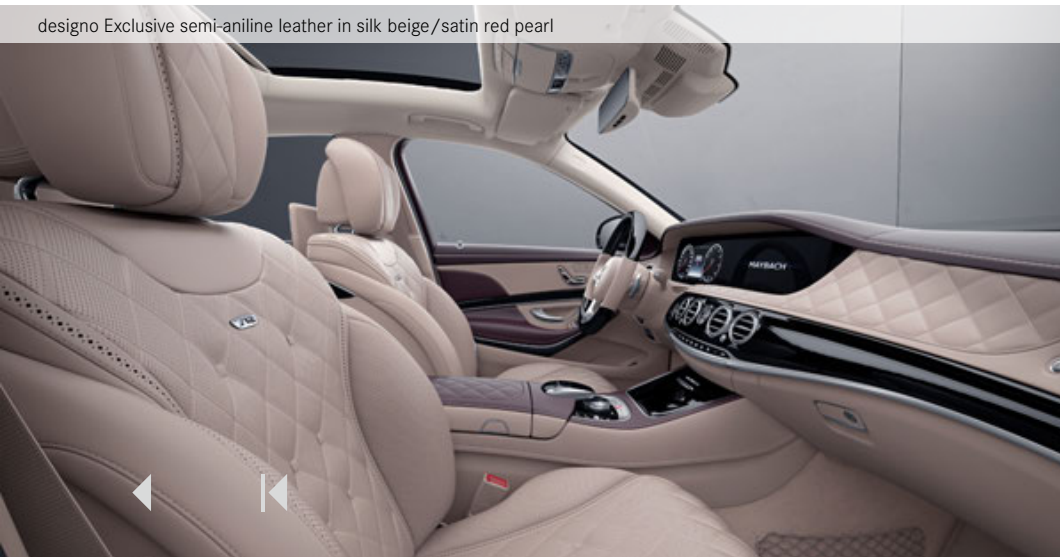

Seat upholstery layout with diamond design and contrasting topstitching

Upper section of instrument and door centre panels in nappa leather with contrasting topstitching

'V12' badge in the backrests of front and rear seats

Velour floor mats

designo Exclusive semi-aniline leather in silk beige/satin red pearl

Exclusive nappa leather in silk beige/espresso brown

Upholstery choices – designo Exclusive semi-aniline leather

designo

It takes just a few carefully chosen ingredients to turn your Mercedes-Maybach S-Class into an individual work of art. designo Exclusive semi-aniline leather upholstery in silk beige combined with satin red pearl, titanium grey pearl or deep sea blue adds to a truly luxurious look. All colour options are available at no additional cost. All choices

feature a quilted diamond pattern repeated in the centre section of the dashboard, seats in designo Exclusive semi-aniline leather with diamond design detail to the entire seat centre section, upholstery buttons, Budapest piping and ‘V12’ badges.

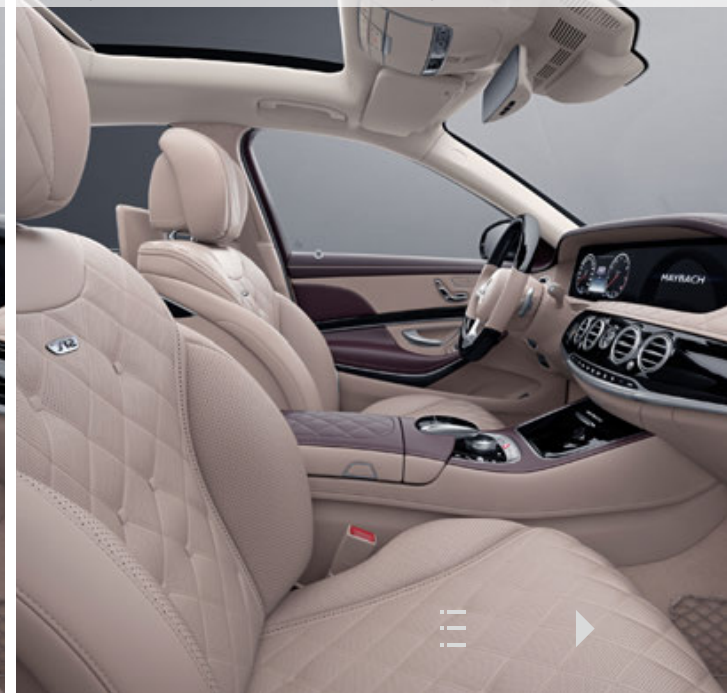

designo Exclusive semi-aniline leather in silk beige/deep sea blue (code 962A)

designo Exclusive semi-aniline leather in silk beige/titanium grey pearl (code 965A)

designo Exclusive semi-aniline leather in silk beige/satin red pearl (code 975A)

Upholstery choices – Exclusive nappa leather

Exclusive nappa leather makes an especially soft impression due to its smooth and natural surfaces, giving the interior that ‘feel-good’ factor. Exclusive nappa leather is available in six attractive colour options at no additional cost.

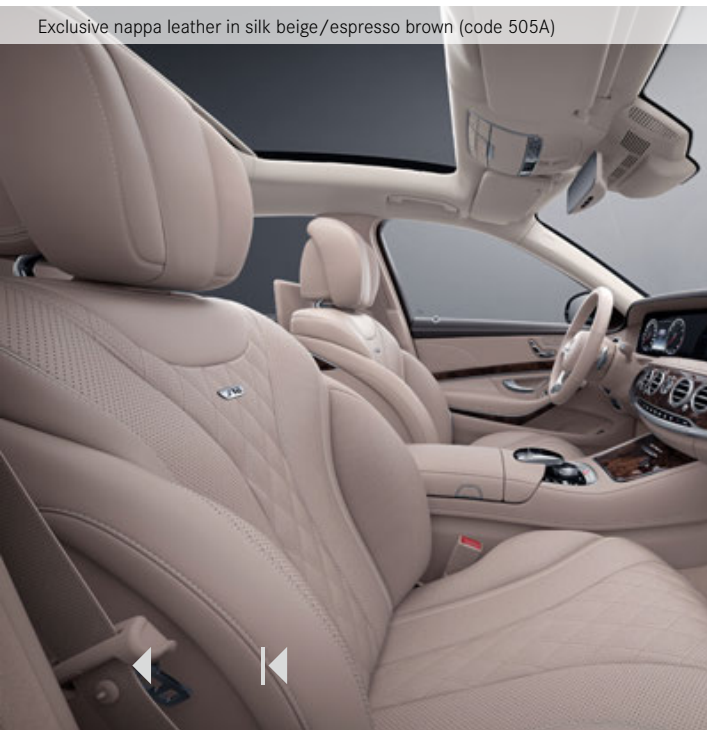

Exclusive nappa leather in black/black (code 501A)

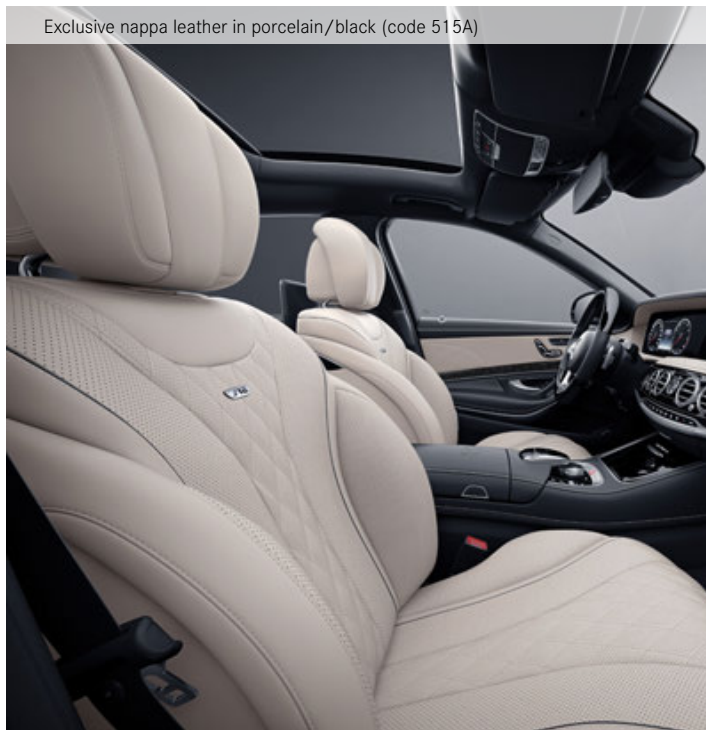

Exclusive nappa leather in nut brown/black (code 514A)

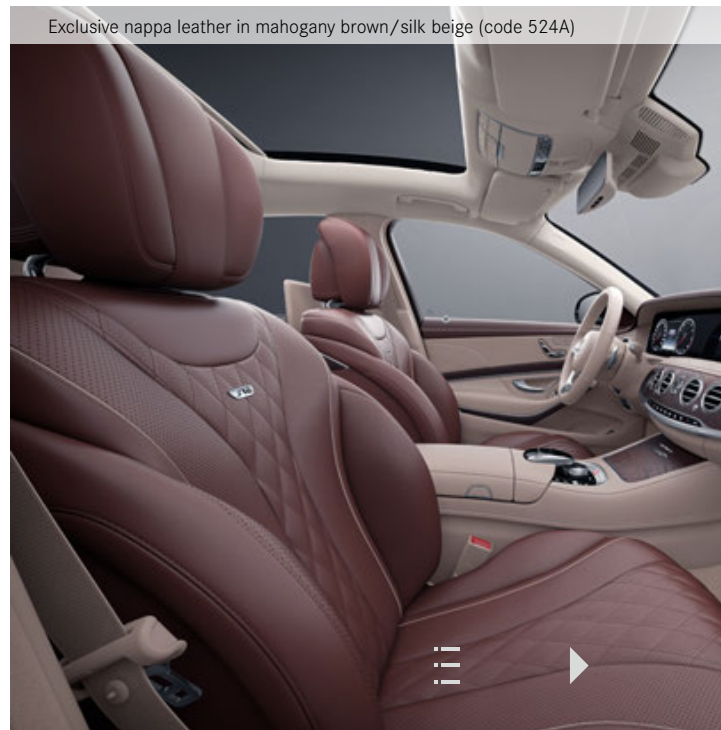

Exclusive nappa leather in magma grey/espresso brown (code 518A)

Exclusive nappa leather in silk beige/espresso brown (code 505A)

Exclusive nappa leather in porcelain/black (code 515A)

Exclusive nappa leather in mahogany brown/silk beige (code 524A)

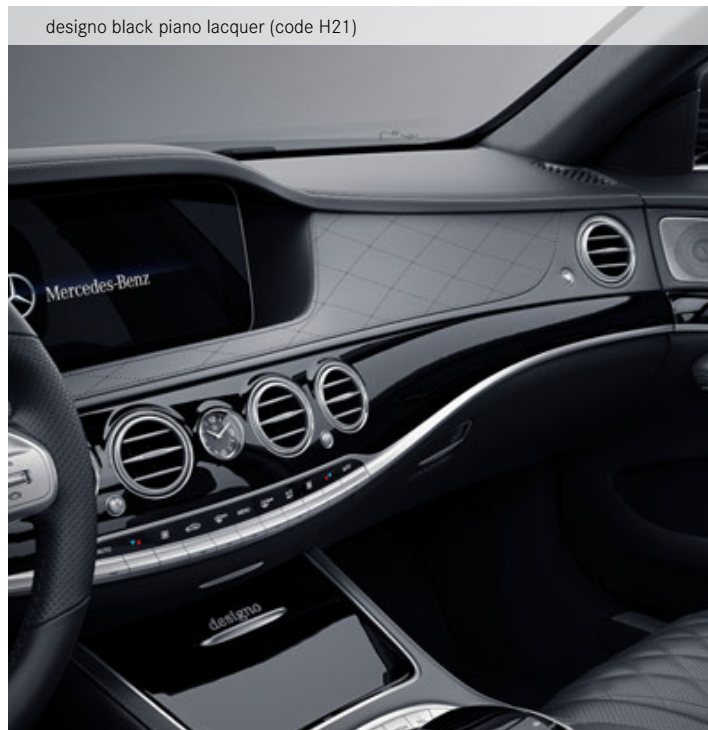

Trim choices

Add eye-catching highlights to your Mercedes-Maybach S-Class, thanks to a carefully-selected range of high-quality light and dark wood trims as well as designo black piano lacquer. All trim choices are available as a no-cost option.

Black high-gloss poplar wood (code 729)

designo black piano lacquer (code H21)

Brown burr walnut wood (code H29)

Mercedes-Benz

designo

designo black piano lacquer flowing lines (code H16)

Standard equipment

The term 'standard' hardly befits Mercedes-Maybach's level of equipment. It's hard to find a limousine with such a high degree of comfort and safety. The seats incorporate a wealth of features for your wellbeing. They are designed to offer the best support and maximum relaxation thanks to climatisation, as well as a Front and Rear Seat Comfort package. The two outer rear seats can be reclined up to 43.5°.

For an even brighter atmosphere inside the cabin, there is a panoramic sliding roof with MAGIC SKY CONTROL. All the while, the Burmester® high-end 3D surround sound system, TV tuner and TV rear entertainment system with two 10-inch screens, DVD player and wireless headphones answer all your audiovisual needs.

Transmission and Suspension

7G-TRONIC PLUS 7-speed automatic transmission with steering column gear selector, DIRECT SELECT steering wheel gearshift paddles and SPEEDTRONIC cruise control

Direct Steering

ECO start/stop function

MAGIC BODY CONTROL with Curve Tilting Function

This suspension system offers another milestone in driving comfort, detecting bad road surfaces in advance and reacting accordingly. The active damping system of the suspension works with a road surface scan to achieve this. A stereo camera captures a detailed picture of the conditions ahead which is then analysed to allow the system to decide how best to dampen each individual wheel to compensate for any uneven surfaces ahead – all in a split second. Curve tilting allows higher cornering speeds with reduced body lean, thereby improving cornering stability and thus creating high levels of comfort

Paint, Trim and Upholstery

Metallic paint

Trim – designo black piano lacquer

Upholstery – Exclusive Nappa Leather package

Armrests and lining of centre console in nappa leather with contrast stitching

Colour-contrast fluting on beltline

DINAMICA microfibre roof lining

Door panels with hand-stitched facings in nappa leather

Exclusive nappa leather upholstery

Extended trim parts: additional wood trim in door centre panels and rear air vent covers

Nappa leather upper dashboard with diamond-pattern perforations and contrast stitching

Perforated diamond pattern in continuation of front door armrests and in rear door seat function control panels

Seats in diamond pattern nappa leather with contrast stitching

Security and Safety

Active bonnet – pedestrian safety measure

Adaptive brake lights

ADAPTIVE BRAKE system

Including HOLD function, Hill-Start Assist, brake priming and dry braking in wet conditions

Airbags – driver and front passenger

Airbags – front and rear sidebags

Airbags – windowbags

Alarm system with immobiliser and interior protection (MBSS3)

Anti-lock braking system (ABS) with Brake Assist (BAS)

ATTENTION ASSIST – monitors steering and can help alert to long journey fatigue

Continuously analyses driver behaviour and steering movements. If patterns are recognised which characterise drowsiness, the driver is prompted to take a break, and an audible warning is sounded. At the same time COMAND Online offers to locate a rest stop

Embossed Maybach emblem on centre armrest

Wireless charging for mobile phones in the rear

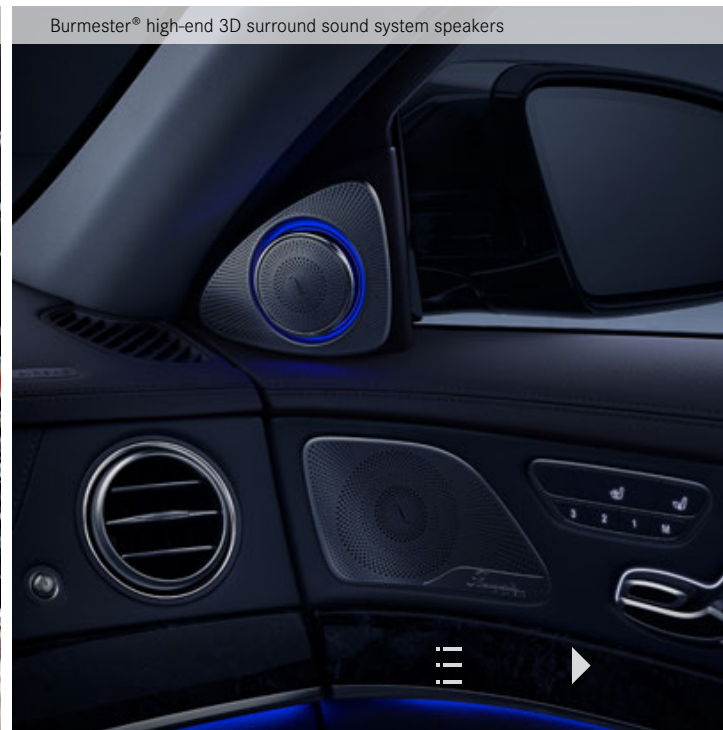

Front Seat Memory package

Panoramic sliding roof with MAGIC SKY CONTROL

Night View Assist Plus

Burmester® high-end 3D surround sound system speakers

Security and Safety (continued)

Automatic child seat recognition (ACSR) on front passenger seat for child seats with transponder specially approved by Mercedes-Benz

Automatically dimming rear-view mirror and driver's exterior mirror

Brake Assist (BAS) with brake servo assistance when emergency braking is detected

Brake pad wear indicator

Crosswind Assist

Detects sudden, strong gusts of wind and helps the driver stay in lane by means of targeted braking

Electric parking brake

Electronic Stability Programme (ESP®) with Acceleration Skid Control (ASR)

ESP® Curve Dynamic Assist

Especially when accelerating on bends, ESP® can ensure improved handling by detecting understeer and effecting a remedy through braking intervention

First-aid kit

Front passenger seat with PRE-SAFE® positioning function

Headlight Assist – automatic headlight activation

Head restraints, rear (3) – outer two, electrically adjustable

Intelligent Rear Seat Belts package

Illuminated seat belt buckle extenders facilitate seat belt fastening on outer rear seats

Inflatable three-point seat belts with integrated belt bags on outer seats

i-Size and ISOFIX child restraint system (two outer seats)

Locking wheel bolts

Night View Assist Plus

Enables drivers to recognise pedestrians or larger animals earlier in the dark. They are clearly shown on the multifunction display of the instrument cluster. To do this the system illuminates the road ahead with two dazzle-free infrared lights. With the help of an infrared camera located behind the windscreen, the entire area within high beam headlight range is shown as a crystal-clear greyscale image. A thermal imaging camera in the radiator grille is able to give a precise warning by distinguishing between irrelevant objects such as traffic sign combinations or bushes and relevant objects such as pedestrians or large animals. The latter are highlighted in colour by small 'photo mounts'. The Spotlight function enables endangered pedestrians to be flashed at several times, so that the driver registers them even more quickly and the former recognise the danger

PRE-SAFE® anticipatory safety system

PRE-SAFE® Impulse

In the early phase of a crash, the front occupants are pulled away from the direction of impact and deeper into their seats by their seat belts

Rain-sensing wipers – two-stage

Rear seat belt status indicator

Remote central locking

Seat belts, rear (3) – three point

Seat belt pre-tensioners, belt force limiters and automatic belt height adjustment – front and outer rear seats

Traffic Sign Assist

The front-mounted camera detects speed limit warnings, no-overtaking signs and their cancellation, and shows them in the COMAND display. If a no-entry sign is detected and the driver disregards this, the systems emits a visual and acoustic warning as part of the no-entry warning function

Tyre pressure monitoring system

Warning triangle

Dual-bonded widescreen (12.3-inch) cockpit display with COMAND Online system

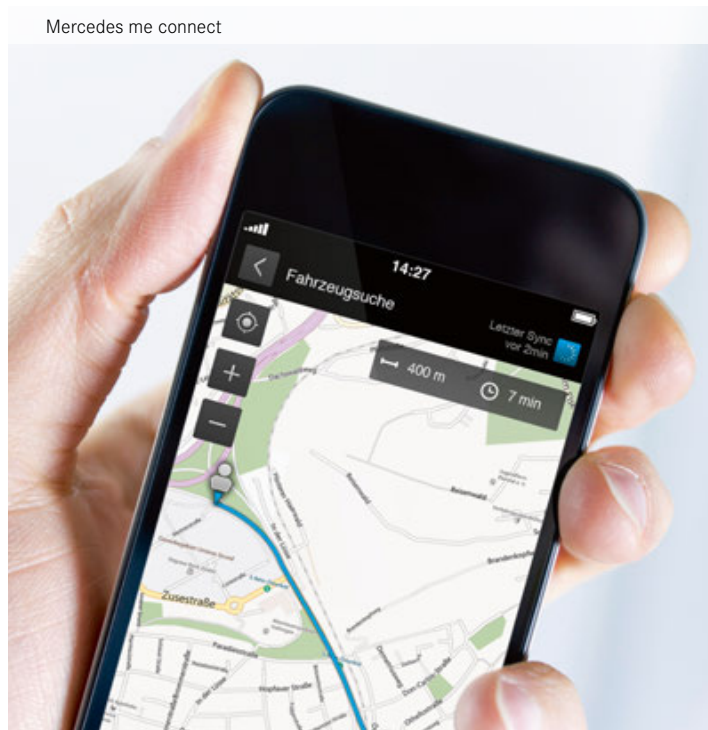

Head-up display

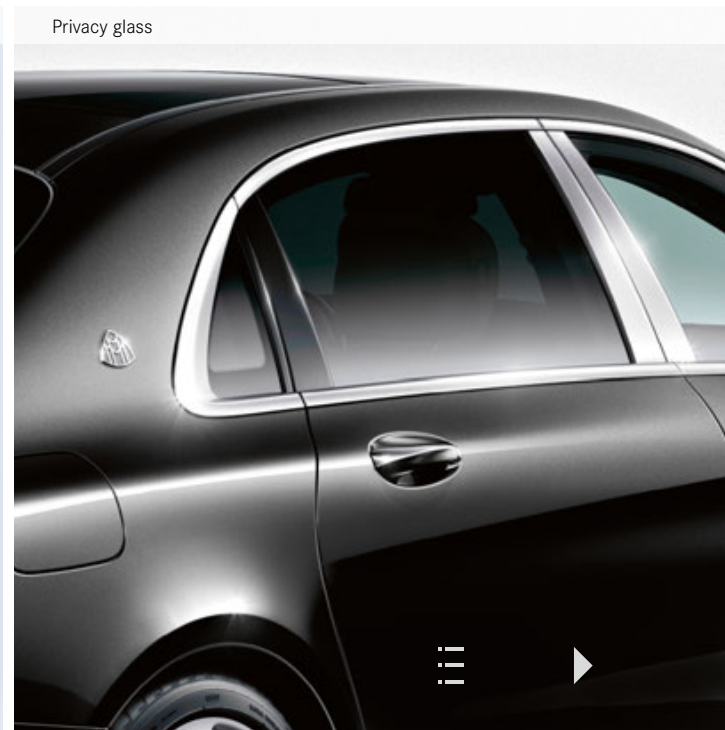

MAGIC VISION CONTROL – adaptive windscreen wiper system

Touchpad and COMAND Online controller

Mercedes me connect

Privacy glass

Communications and In-Car Entertainment

Bluetooth® interface with high-definition call quality for hands-free telephony

Burmester® high-end 3D surround sound system
26 speakers and 28-channel amplifier with total output of 1,590 W

Central controller dial to operate audio functions and telephone (when connected)

COMAND Online system with Media Interface
Includes radio, 12.3-inch colour display, hard disk drive (HDD) navigation with 3D map display, Live Traffic Information and European map data updates free of charge for the first three years, Speed Limit Assist and LINGUATRONIC voice control. Integrated WLAN hotspot for onboard access of WLAN-enabled devices. Also includes SD memory card slot, 10 GB music register and MP3 compatibility. Media Interface allows connection and control of portable media devices (e.g. MP3 player, USB storage media)

COMAND Online remote control

DAB digital radio tuner

Digital operating instructions for COMAND Online

Dual-bonded widescreen (12.3-inch) cockpit display with COMAND Online system

Head-up display – key driver information at a glance

A virtual image (approx. 21×7 cm) is projected into the driver's field of view, appearing to float above the bonnet approx. 2 m ahead. Both display height and content can be adjusted individually, while the information shown can be activated and deactivated according to your preference

Mercedes-Benz emergency call system (eCall)

Mercedes me connect (standard services)

Including emergency call system (eCall), accident recovery, breakdown management and maintenance management; Mercedes-Benz apps and in-car internet access for Facebook, internet radio, sending routes from Google Maps™ to the vehicle, news and weather reports; internet-enabled mobile phone required

Mercedes me connect Concierge Service

Provides exclusive assistance and personal support by telephone in the search for interesting locations (POI), restaurants or hotels. Free of charge for first year. Extension possible and pricing information available via Mercedes me store

Rear seat entertainment system

Two 10-inch screens on rear seat backrests, DVD player, two sets of wireless headphones and remote control for COMAND Online system

Smartphone integration – comprising Apple CarPlay™

Compatible iPhones (iPhone 5 and newer) can be integrated into the vehicle via Apple CarPlay™. Please check on www.apple.com/uk/ios/carplay/ for compatibility and approved apps. Certain features and apps require a 3G or 4G data connection. Control of features available through voice control and controller on centre console

Touchpad

Voice amplification system

This innovative function makes it easier to communicate with the rear passengers from the front. The two microphones in the interior mirror are also used to pick up speech for the hands-free telephone system. These signals are then discreetly amplified depending on the amount of driving noise, and continuously adjusted for the speaker's volume and the ambient noise level

Wireless charging system (front) for mobile devices

Charges mobile phones which support the Qi standard wirelessly on a charging surface, Near Field Communication (NFC) for quickly connecting to mobile phone

Driving Assistance package (standard)

More comfort and less stress for the driver, and therefore more safety for all road users, for example by virtue of semi-automated driving, autonomous braking in certain

Active Distance Assist DISTRONIC controls the distance to vehicles in front up to a speed of 131 mph and if necessary brakes the vehicle with up to 50% of the maximum braking power

Active Steering Assist helps the driver keep the vehicle in the centre of its lane on straight stretches of road or slight bends. Reduces the risk of accidents and improves protection for both the occupants and other road users

Active Speed Limit Assist adopts speed limits detected automatically as the new set speed for Active Distance Assist DISTRONIC

Active Braking Assist with Cross-Traffic Function and Congestion emergency braking function can help to avoid or lessen the consequences of accidents with vehicles in front as well as crossing vehicles and pedestrians

Evasive Steering Assist is able to support the driver with making an evasive manoeuvre when, in a situation of danger, he/she decides to avoid a pedestrian who has been detected by the system

dangerous situations and active assistance during evasive and braking manoeuvres initiated by the driver.

Active Blind Spot Assist can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one-sided brake application

Active Lane Keeping Assist can warn the driver when they unintentionally leave their lane and can use one-sided brake applications to help manoeuvre the vehicle back into its lane (including in the case of broken lane markings if there is a risk of collision)

PRE-SAFE® PLUS is able to initiate preventive measures to protect occupants against an impending rear impact, including warning traffic following behind, activating the seat belt tensioners or applying the brakes when the vehicle is stationary

Route-based speed adaptation. Adaption of speed before curves, roundabouts, junctions, toll roads. Allows for smoother and more accurate functionality of several driving assistant systems

Champagne flutes

Folding tables in the rear

Refrigerated compartment in rear

First Class Cabin package

Business or pleasure, the First Class Cabin is at your service. Here, rear seat passengers can work or relax in complete luxury. Boot space is reduced by 40 litres.

Champagne flutes

A drive in a quite exceptional vehicle can be celebrated in style with two high quality silver-plated champagne flutes

Individual rear seats

The continuous Business Console transforms the rear into a mobile office. Two 12 V sockets and temperature-controlled cup holders make for a comfortable travelling and working environment. The Business Console extends from the front centre console through to the parcel shelf

First Class Cabin package (code DA9) – designed and priced as a package, including items as listed.

Total incl. VAT £7,300.00

Folding tables in the rear

With the two high-quality folding tables, the Business Console of the First Class rear suite can be converted into an office desk in seconds. The stowage trays provide space for a notebook or working documents

Refrigerated compartment in rear

Elegantly integrated into the rear armrest and with a capacity of approx. 8.5 litres. Temperature can be set between approx. 4–15° C using two control switches

Individual rear seats

Rear wireless charging

Car telephony with sim card module

Business Telephony package

Charging your smartphone has never been easier. With the Business Telephone package, mobile phones can be charged wirelessly.

Business Telephony package (code DP6) – designed and priced as a package, including items as listed.

Total incl. VAT £900.00

Business telephony in the rear

The Bluetooth® handset is integrated in the rear armrest, where it is clearly visible and ideally accessible. It is also charged automatically here. The system has its own hands-free zone in the rear and allows call transfer from the rear to the front and vice versa. A second telephone can also be connected

Rear wireless charging

Wireless charging for numerous mobile phones that support or can be upgraded to support the Qi standard

Car telephony with sim card module

Telephone module and SIM card reader in the glove compartment (permanently installed).

Direct cable connection to the exterior aerial via a mobile communications transmission and reception unit integrated into the vehicle.

LTE mobile telecommunications standard.

Operation by coupling the mobile device via the Bluetooth® protocol SAP or by using the customer's vehicle SIM card.

Hotspot availability as a result of using the customer's contract

Two MAYBACH cushions in the upholstery colour

designo nappa leather roof liner with topstitching and window frame trim in nappa leather in the upholstery colour

designo Leather package

With high-grade touches of leather in the interior, the designo Leather package sets a luxurious and stylishly coordinated tone – from the instrument panel to the window frame trim and seat cushions to the designo nappa leather roof liner.

designo Leather package (code U61) – designed and priced as a package, including items as listed.

Total incl. VAT £13,150.00

designo nappa leather roof liner with topstitching

Including leather-covered sunblinds, grab handles and A-, B- and C-pillars

Rear vanity mirrors leather-covered with diamond quilting

Finished in black (71U) in vehicles with interior in black (501A), nut brown/black (514A) or porcelain/black (515A)

Finished in porcelain (75U) in vehicles with interior in silk beige/espresso brown (505A), silk beige/satin red pearl (965A) or silk beige/titanium grey pearl (975A)

Front seat consoles on driver and front passenger sides in nappa leather in the upholstery colour

Side instrument panel covers on driver and front passenger sides in nappa leather in the upholstery colour

Two seat cushions in the upholstery colour, two-tone with border in diamond quilting and MAYBACH logo:

Finished in nappa leather with Exclusive nappa leather interior; or in designo Exclusive semi-aniline leather/nappa leather with designo Exclusive semi-aniline leather interior

Window frame trim at front (including triangular tweeters) and rear in nappa leather in the upholstery colour

Mercedes-Maybach Genuine Accessories

We've developed a range of Accessories you can add to help personalise and enhance your Mercedes-Maybach S-Class. Your local Mercedes-Benz Retailer can advise on fitting costs of Accessories, where applicable. Fuel tank capacity/of which reserve	l	80/8
Turning circle	m	12.9

● Standard

¹Figures according to Directive 80/1269/EEC in the currently applicable version ²Electronically limited ³All figures are based on a standard specification with the smallest tyre size

⁴The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence ⁵EUDC: extra-urban driving cycle. Testing procedures adhere to EU Directive 93/116
The figures on pages 36-37 are correct at time of publication. Please refer to the government website for latest data – <http://www.dft.gov.uk/vca>

Fuel consumption ^{3,4}		mpg	auto.
Urban			15.3
Extra-urban ⁵			30.4
Combined			22.2

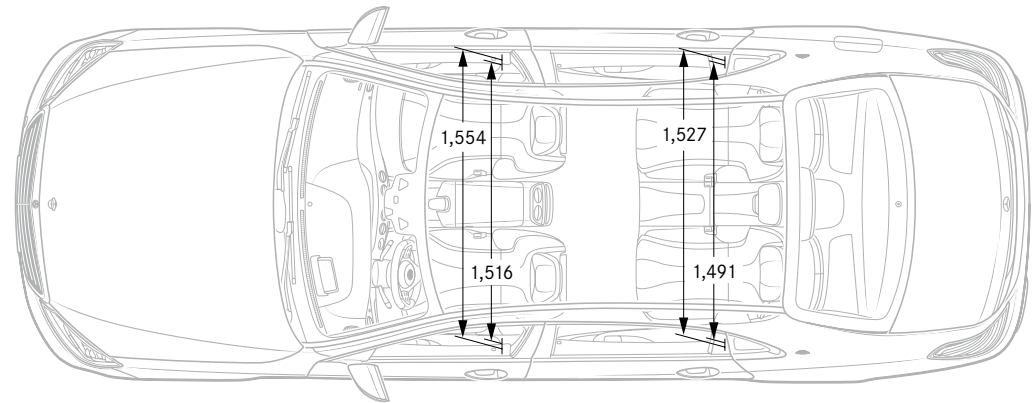

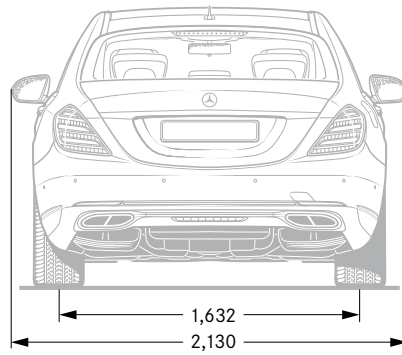

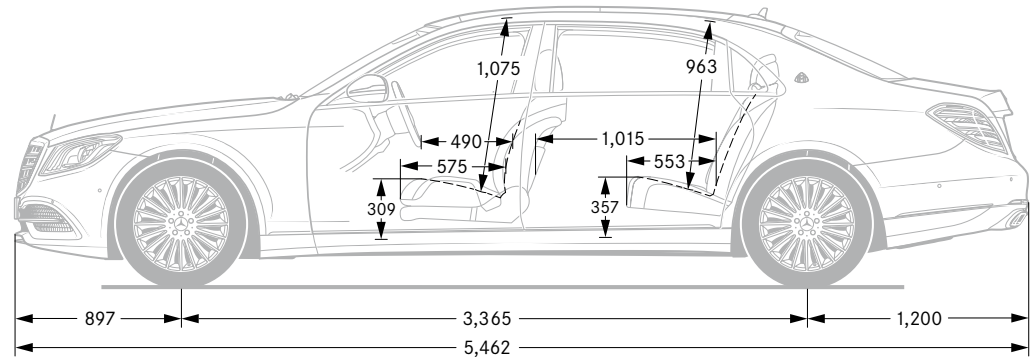

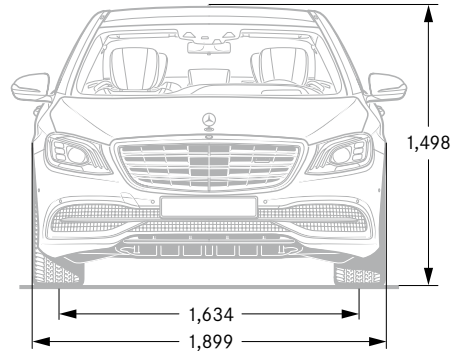

CO ₂ emissions ⁴		g/km	auto.
Emissions standard			EU6
20" alloy wheels – code 13R			289
20" alloy wheels – code R91			289
20" alloy wheels – code 17R			289

Insurance	
Group rating	tba

Insurance ratings may vary depending on model line and specification.
Please refer to <http://www.thatcham.org/abigrouprating/> for further details

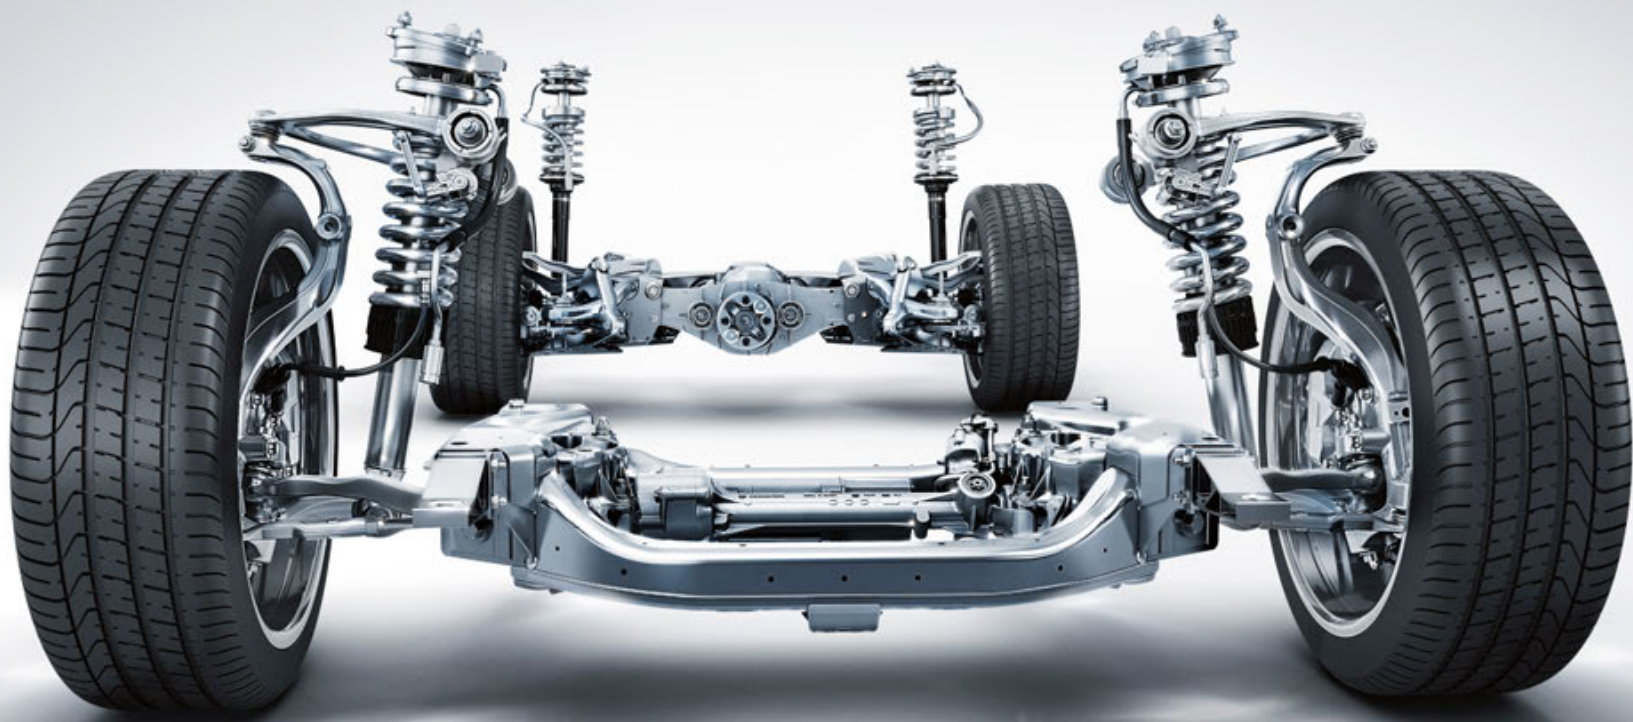

Dimensions

All measurements in millimetres. The dimensions shown are mean values and apply to standard-specification, unladen vehicles. Dimensions may vary slightly depending on the engine. Please consult your Retailer for further information

MAGIC BODY CONTROL detects bad road surfaces in advance and reacts accordingly. The active damping system of the suspension works with a road surface scan to achieve this

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A-M) created by the DVLA and the corresponding Road Fund Licence CO₂ emissions are listed in the technical data on page 36, and the relevant Excise Duty is reflected in the on-the-road prices on page 4.

Band	CO ₂ emissions	First year rate (£)	Standard rate (£)	Premium rate (£) ¹
A	0 g/km	0.00	0.00	310.00
B	1 to 50 g/km	10.00	140.00	450.00
C	51 to 75 g/km	25.00	140.00	450.00
D	76 to 90 g/km	100.00	140.00	450.00
E	91 to 100 g/km	120.00	140.00	450.00
F	101 to 110 g/km	140.00	140.00	450.00
G	111 to 130 g/km	160.00	140.00	450.00
H	131 to 150 g/km	200.00	140.00	450.00
I	151 to 170 g/km	500.00	140.00	450.00
J	171 to 190 g/km	800.00	140.00	450.00
K	191 to 225 g/km	1,200.00	140.00	450.00
L	226 to 255 g/km	1,700.00	140.00	450.00
M	over 255 g/km	2,000.00	140.00	450.00

¹Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge, number plates, fuel and VAT

Services and benefits

Mercedes-Benz Service Care

We believe that servicing costs should be as flexible and affordable as possible for your Mercedes-Maybach S-Class, which is why we offer Service Care.

With Service Care we guarantee the price of parts and labour for up to three services and safeguard against further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Insurance

Since our name is synonymous with reliability, who better to trust with your motor insurance? Mercedes-Benz Insurance provides a motor insurance policy specifically designed to give you the cover you would expect from Mercedes-Benz. For a motor insurance quotation, call **0345 600 2180**.*

¹Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Retailers ²Subject to full Terms and Conditions, dependent on date of registration, available upon request Mercedes-Benz Motor Insurance is underwritten by Aviva Insurance UK Limited. Credit provided, subject to status, by Mercedes-Benz Financial Services UK Ltd, MK15 8BA *For joint protection, calls may be recorded and/or monitored. All calls charged at local rate. We may decline to quote in some circumstances

Effective from 21 September 2017 Production. Information correct at time of publication.

Prices and specifications are subject to change without prior notice.
