Digital Extras

Stay connected any time, anywhere

Digital Extras are a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Digital Extras let you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Safety and Service – Digital Extras help to keep you and your car safe

Check your car's washer fluid level, tyre pressure and battery level from your phone so you'll be ready for every journey.

Live Traffic Information, Parked Vehicle Locator and much more

Forgot where you've parked? Parked Vehicle Locator¹ will show you exactly where your car is as long as you're in a 1-mile radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

For more information speak to your local Mercedes-Benz Agent or visit the Mercedes-Benz store at shop.mercedes-benz.com/en-gb/connect

Comfort – connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock² you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

Specific services for all-electric vehicles from Mercedes-Benz

Check your charging status on the go and programme your pre-entry climate control and charging settings remotely. The specific navigation services for all-electric vehicles from Mercedes-Benz consider electrical range, topography and charging stations.

The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers
¹Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model
²Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice, touch or optional gesture input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you

Personalisation

- Turn the EQS into your very own Mercedes-Benz by personalising driving modes, radio stations, ambient lighting and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, as well as touch control buttons on the steering wheel

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a charging station? Just ask your MBUX – it will tell you the answer

The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers

¹LINGUATRONIC off-board functions are currently only available for three years

MBUX Hyperscreen

Introducing the MBUX Hyperscreen – an evolution in display technology that transforms the user interface. Bringing together a 12.3-inch LCD driver display, a 17.7-inch OLED central display with haptic feedback, and an additional 12.3-inch OLED front passenger display under a seamless glass cover, the MBUX Hyperscreen sets a new standard for seamless connectivity and sophistication.

Standard on all model lines

Consisting of:

Driver display with 12.3-inch screen diagonal, LCD with LED matrix backlighting

OLED central display with 17.7-inch screen diagonal and haptic feedback

OLED front passenger display with 12.3-inch screen diagonal and haptic feedback

A continuous, seamless glass surface integrating all three displays

¹The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers
number of factors including the starting charge of the battery, factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish range, power consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>
infrastructure and can be limited by the vehicle. Times are from 10–80% charge using public rapid charging at 200 kW
and can be limited by the vehicle

²Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a
³Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 0–100% charge using a wallbox (three-phase) or standard socket (single-phase)
⁴Specified voltage and current values refer to network infrastructure and can be limited by the vehicle

Attention

Using the pre-entry climate control¹ when plugged into a charge point will ensure the perfect ambience and ensure that your car is just how you like it, as well as making sure that your battery isn't used unnecessarily to heat/cool the vehicle (maximising range).

°C

Please be aware that external factors such as weather, gradient and ambient temperature amongst others can significantly impact range.

Please also note that internal factors such as driving style and climate control settings etc. can also significantly impact range.

MB.CHARGE Public¹ One registration, one contract, one billing

MB.CHARGE Public¹ provides access to a multitude of public charging stations located in shopping centres, hotels or at motorway services. A smartphone app as well as the vehicle's navigation system show the precise location, current availability and price at the selected charging station.

MB.CHARGE Public – Private customer

Tens of thousands charging stations in the UK

Growing network of charging providers includes bp pulse the largest charging network in the UK.

Access to fast-charging stations

Enables customers to get access to charging stations of different providers with:

- Mercedes-Benz app
- RFID card
- Vehicle Head unit

Green charging

All charging using MB.CHARGE Public,¹ will be retrospectively 'greened' by Mercedes-Benz.

Transparent and easy billing

One invoice charging processes for payment.

Easy access

Charging stations are displayed in Mercedes-Benz app and in MBUX multimedia system.

No fees

Enjoy free access to MB.CHARGE Public's convenient, reliable, and user-friendly charging network.

MB.CHARGE Public – Business customer

Key features

- All MB.CHARGE Public Private customer features²
- Charging fleet portal
- Company payment and billing
- Flexible prices per kWh

¹The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers

²Excluding MB.CHARGE Public Private customer tariffs

MB.CHARGE Public¹ Private customer tariffs²

Charge smarter with our Preferred Partner Network and access exclusive savings with lower rates on Tariff L and M compared to standard tariffs. Owners of a new all-electric model will be entitled to the MB.CHARGE Public¹ tariff L free of charge for the duration of 3 months.²

Tariff L^{2,3}

Recommended for ‘frequent drivers’

Owners of a new all-electric model are entitled to the tariff L free of charge for 3 months, benefitting from the best exclusive savings of our tariffs as well as all MB.CHARGE Public¹ features. This tariff is recommended for frequent and long-distance drivers.

Consisting of:

- All MB.CHARGE Public¹ features
- Fixed prices per kWh
 - IONITY: £0.55/kWh
 - bp pulse and Smart Charge: £0.59/kWh + £0.17/min after 90 mins
- 15% discount across the rest of the MB.CHARGE Network

Free of charge for the duration of 3 months.²
Thereafter:
£9.90/month

Tariff M^{2,3}

Recommended for ‘regular drivers’

Should you wish to downgrade your tariff package after 3 months, tariff M offers discounted pricing across our Preferred Partner Network, recommended for regular drivers.

Consisting of:

- All MB.CHARGE Public¹ features
- Fixed prices per kWh
 - IONITY: £0.62/kWh
 - bp pulse and Smart Charge: £0.69/kWh + £0.17/min after 90 mins
- 10% discount across the rest of the MB.CHARGE Network

£4.90/month

Tariff S²

Recommended for ‘casual drivers’

Should you wish to downgrade your tariff package after 3 months, tariff S offers all MB.CHARGE Public¹ features with flexible pay-per-use pricing across the entire network. This tariff is recommended for casual drivers.

Consisting of:

- All MB.CHARGE Public¹ features
- Flexible prices per kWh depending on provider

£0/month

¹The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers register from 1st December 2025 to qualify

Price information is not guaranteed and is subject to change. Please be aware that this tariff will automatically renew after the 3 month promotion period

²This offer is exclusively for consumers. The distinction between consumer and business is determined by the type of vehicle linkage (private profile or company profile)

³Customers must for definitive pricing information or should you not wish to continue with the tariff, your cancellation rights and current pricing can be found <https://eu.charge.mercedes-benz.com/web/en/mb-gb/tariffs>

Next generation of home EV charging with Ohme

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing an Ohme charger.

Home charging with Ohme: from £925* incl. VAT and standard installation

Key benefits of Ohme:

Ohme specialise in providing future-proof electric vehicle charging solutions, in particular smart, affordable and easy-to-use charging products.

Save money: If you have a time-of-use tariff or a variable tariff, you'll pay less for your electricity at certain times of the day. Ohme uses your tariff information to charge your vehicle when the price is low to maximise your savings.

Ohme is the only EV charging provider to integrate with all energy tariffs, including Intelligent Octopus and OVO Charge Anytime – the next generation, smart EV charging tariffs.

Easy installation process.

Choice of tethered or untethered units.

Award-winning customer service – check Trustpilot for more information.

A 3-year warranty is included.

Connect your charger to the Ohme smartphone app to unlock smarter and cheaper charging at home. Easy-to-use, the Ohme app will give you full control to get more from your EV.

Ohme's chargers are compliant with the UK New Smart Charger Regulations for complete peace of mind.

OZEV Grant:

You may be entitled to claim an OZEV grant towards the cost of your home charger¹. To check your eligibility, simply contact your local Mercedes-Benz Agent.

Questions?

Need help with home charging solutions? Simply contact your nearest Mercedes-Benz Agent – they'll be happy to submit an enquiry to your preferred charging partner on your behalf.

Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

^{*}Price excludes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change ¹The home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). Full details and eligibility criteria for the OZEV EVHS Grant can be found [here](#)

Home charging with Pod

Simple, convenient, fast charging

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a Pod Point home charger.

Home charging with Pod from £899* inc. VAT and standard installation¹ or £0 Pod Drive sign-up fee

Pod Drive

Pod Drive is a new all-inclusive subscription service to spread the cost of installing a homecharger. £0 sign-up fee for Mercedes-Benz customers (usually £99) and £40 a month for 3 years. The service includes additional benefits such as 7,500 miles a year in cashback and enhanced warranty cover.

Key benefits of Pod:

Pod is one of the leading provider of EV charging in the UK with over 250,000 home chargepoints installed.

Auto Power Balancing lets you adjust your charge so that your electrical supply doesn't get overloaded when your home is using a lot of energy.

Built-in earthing protection removes the needs for expensive earth rods.

Buy a Pod Point for a discounted cost of £899 for an untethered and £949 for a tethered. Or, sign up for Pod Drive with a £0 sign-up fee.

The Pod public network consists of over 9,200 charging bays across the UK.

5 year warranty as standard, free of charge.

The standard installation package includes up to 15m of external cabling.

Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

OZEV Grant:

You may be entitled to claim an OZEV grant towards the cost of your home charger.² To check your eligibility, simply contact your local Mercedes-Benz Agent.

Questions?

Need help with home charging solutions? Simply contact your nearest Mercedes-Benz Agent – they'll be happy to submit an enquiry to your preferred charging partner on your behalf.

*Price excludes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change

¹Full terms and conditions of home charging with Pod can be found [here](#)

²The home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). Full details and eligibility criteria for the OZEV EVHS Grant can be found [here](#)

DIGITAL LIGHT

High-definition headlamps with innovative features

The new innovative DIGITAL LIGHT headlamps works like a projector with more than one million pixels per headlamp and responds with brilliant light to changing traffic, road or weather conditions. Its ULTRA RANGE Highbeam with 650 m makes you feel like driving at daylight.

Standard on all model lines

[Book a test drive](#)[Find your EQS](#)[Find a Showroom](#)

Driving Assistance package Plus Cares for what matters

The EQS comes with standard ground-breaking innovations in safety, comfort and driving functions, to help you stay safe on the road.

Standard on all model lines

Active Lane Keeping Assist

Active Blind Spot Assist expanded with blind spot monitoring towards the front and side. Additional hazard indication of the blind spot warning system as well as exit warning function

Active Brake Assist with cross-traffic function with turning manoeuvre function (responding to (among other things) crossing pedestrians when making a turn). Operating range on urban routes expanded to 74 mph (previously 44 mph)

Active Distance Assist DISTRONIC responds to stationary road users to prevent collisions up to 80 mph (previously 37 mph)

Active Emergency Stop Assist is able to assist in manual mode (previously only in DISTRONIC mode). Optional lane change by one lane (at 49 mph where no obstacles detected)

Active Evasive Steering Assist responds to cyclists and ends of tailbacks in addition to pedestrians. Operating range on urban routes expanded to 67 mph (previously 44 mph)

Active Lane Keeping Assist with enhanced comfort thanks to active steering intervention (instead of braking intervention) and additional hazard indication

Active Speed Limit Assist ensures detected speed limits are automatically adopted as the set speed for Active Distance Assist DISTRONIC

Active Traffic Sign Assist

Congestion emergency braking function

Emergency corridor function

Exit warning function when hand moves towards the door handles

Extended automatic restart on motorways

Hazard display via ambient lighting

Increased availability and cornering performance on carriageways with **Active Steering Assist**, more stern warnings to put hands on the steering wheel with new capacitive steering wheel

PRE-SAFE® PLUS and Impulse Side with body-raising function: when a rear-end collision threatens, PRE-SAFE® PLUS can initiate preventive measures, including warning following traffic and locking the brakes on standstill

Route-based speed adjustment with end of traffic jam function and Active Stop-and-Go Assist adaption of speed before curves, roundabouts and junctions with end of traffic jam function

Active Distance Assist DISTRONIC

*Our driver assistance and safety systems are aids and do not relieve you of your responsibility as the driver. Please take note of the information in the Owner's Manual and the system limits which are described therein

EQS 450 4MATIC	Battery electric vehicle, 360hp/265 kW Electric range up to 430 miles – WLTP ¹	0	101,708.33	122,050.00	10.00	122,920.00	122,855.00	3

¹The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. Battery Electric Vehicles (BEV) require mains electricity for charging, range figures determined with the battery fully charged. ^{*}Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish range, power consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP> ²A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 46 for the relevant rate for the second and subsequent years ³The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£780.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

Rear Luxury Lounge package

Exclusive comfort experience thanks to climatised rear seats, MBUX rear tablet and rear seat climate control.

Rear Luxury Lounge package (code DR1) – designed and priced as a package.

Business Class¹ only

Total incl. VAT £3,000.00

Consisting of:

Beltbag	MBUX Interior Assist in the rear
Climatised rear seats	MBUX rear tablet
Comfort armrest in the rear	

¹Only available with upholstery codes 801A, 805A, 811A and 821A

[Book a test drive](#)[Find your EQS](#)[Find a Showroom](#)

Extended Rear Luxury Lounge package

Introducing the Extended Rear Luxury Lounge package, boasting the same features as the Rear Luxury Lounge package and additional enhancements for an even more luxurious experience.

Extended Rear Luxury Lounge package (code DR2)¹ – designed and priced as a package.

Business Class only

Total incl. VAT £6,500.00

Consisting of:

Climatised rear seats	MBUX Interior Assist in the rear
Comfort armrests in the rear	MBUX rear tablet
Electrically-adjustable rear seats	Multicontour rear seats
Exclusive nappa leather black/Exclusive AMG nappa leather black	Neck and shoulder heating in the rear
Executive seats with an electrically adjustable backrest angle of up to 38° degrees and luxury head cushions	Seat heating Plus outer rear seat
	Seat on front passenger side electrically adjustable
	Two rear cushions

¹This package only comes with the Exclusive nappa leather/Exclusive AMG nappa leather in black. Not available in conjunction with upholstery codes 801A, 805A, 811A and 821A

MBUX High-End Rear Seat Entertainment System

Introducing MBUX High-End Rear Seat Entertainment System with two 11.6-inch displays, wireless headphones, and access to vehicle functions while driving. Enjoy multimedia options like TV streaming and web browsing. Experience seamless entertainment in the rear even while driving.

MBUX High-End Rear Seat Entertainment System (code 854)¹ – designed and priced as a package.

Business Class only

Total incl. VAT £3,000.00

Consisting of:

Access to vehicle functions while driving:

- MBUX multimedia system – TV streaming via internet/radio/media/web browser/ Mercedes-Benz apps
- Digital Extras²
- Telephone
- Travel information, among others navigation display

Mirroring of display content including remote control, additionally with selection of MBUX rear tablet

Two permanently integrated, high-resolution 11.6-inch displays:

- Multi-touch operation
- Sound output from vehicle speakers or headphones

Two wireless headphones

Various connection options:

- Bluetooth Audio
- Headphone jack (3.5 mm)
- Mini HDMI

¹Only in conjunction with Rear Luxury Lounge package (code DR1) or Extended Rear Luxury Lounge package (code DR2)

²The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers

Standard equipment

● Standard – Not available

Battery and Charging

	AMG Line Premium	AMG Line Premium Plus	Business Class
11kW AC on-board charger	●	●	●
96 kWh battery (EQS 350)	●	●	●
118 kWh battery (EQS 450+ and EQS 450 4MATIC)	●	●	●
170 kW DC on-board charger (EQS 350)	●	●	●
200kW DC on-board charger (EQS 450+ and EQS 450 4MATIC)	●	●	●
CCS-2 connector (DC charging with Combined Charging System, compatible with AC and DC)	●	●	●
Charging cable – Mode 3 cable (5 metres), Type 2, enables you to charge the vehicle battery via the wallbox or at public charging stations	●	●	●
Heat pump	●	●	●

Transmission and Suspension

AIRMATIC air suspension struts with integrated adaptive damping system at the front and rear axle – automatic level control system, depending on load: load detection for a constant suspension level. Suspension level can be raised for rough roads and is automatically lowered at high speeds, MBUX can remember these actions and suggest them when arriving at the same location	●	●	●
DYNAMIC SELECT – three different drive programs, ECO, COMFORT and SPORT with the ability to save an INDIVIDUAL program, five recuperation levels: D Auto (ECO Assist, standard setting), D + (coasting), D (low recuperation), D - (medium recuperation), D - - (high recuperation)	●	●	●

Exterior

Acoustic privacy glass – dark tinted rear and rear side windows with noise reduction and optimised heat protection	●	●	●
AMG Exterior styling	●	●	●
AMG front bumper painted in vehicle colour with A-wing in high-gloss black and trim in chrome, front splitter in high-gloss chrome with flics and fins at the left and right air inlets in high-gloss black with chrome trim	●	●	●
AMG rear apron painted in vehicle colour with diffuser-look inserts in high-gloss black, double trim strip in chrome and flics at the left and right air outlets in grained black	●	●	●
AMG side skirts painted in high-gloss black with insert in chrome	●	●	●
Headlamps – DIGITAL LIGHT	●	●	●
Heat-insulating, noise-insulating and infrared-reflecting laminated glass	●	●	●
Heated windscreen washer system	●	●	●
KEYLESS-GO	●	●	●
Mirror package – electrically folding exterior mirrors, automatically dimming interior and exterior driver mirror, surround lighting in both outside mirrors with brand logo projection to illuminate the entrance area	●	●	●
Panoramic sliding sunroof	●	●	●
Radiator grille with luxury panel and standing star	●	●	●
Soft closing doors	●	●	●

Services

	AMG Line Premium	AMG Line Premium Plus	Business Class
Geofencing ¹ – available to use free of charge for three years following activation, ² denotes a specific area and notifies via push message when the vehicle leaves or enters this area	●	●	●
Parked vehicle locator ¹ – available to use free of charge for three years following activation, ² shows the position of the parked vehicle in a radius of approx. 1.5 km	●	●	●
Personalisation ¹ – available to use free of charge for three years following activation, ² stores settings such as the radio station or navigation destination in the personal driver profile and enables these to be used in vehicles with the same telematics generation, the profile can be linked to the key, and the functions can therefore already be activated before getting in	●	●	●
Programming of auxiliary heater/ventilation ¹ – available to use free of charge for three years following activation ²	●	●	●
Remote door locking and unlocking ¹ – available to use free of charge for three years following activation, ² provides convenient remote monitoring	●	●	●
Remote retrieval of vehicle status ¹ – available to use free of charge for three years following activation, ² shows mileage, tyre pressure, washer fluid level, etc.	●	●	●
Remote vehicle finder ¹ – available to use free of charge for three years following activation, ² indicators activated via the app help to draw attention to the vehicle, for example in large, confusing car parks	●	●	●

	AMG Line Premium	AMG Line Premium Plus	Business Class
Sliding sunroof/windows with remote closing and opening including ventilation function ¹ – available to use free of charge for three years following activation, ² for a breath of fresh air in the vehicle available	●	●	●
Send2Car function ¹ – available to use free of charge for three years following activation, ² sends selected addresses via the app to the vehicle's navigation system, for example POIs or restaurants	●	●	●
Speedfencing ¹ – available to use free of charge for three years following activation ²	●	●	●
Stolen Vehicle Help ¹ – available to use free of charge for three years following activation, ² this service reduces the bureaucratic effort required and gives you an advantage in terms of time. In the event of theft, you can report it to the police. You can transfer the police file number (depending on country) plus the relevant vehicle and owner information quite simply via app to our certified partner's security centre. This centre will then coordinate with the local police station to track your vehicle	●	●	●
Valet protect ¹ – available to use free of charge for three years following activation, ² notifies via the app when the ignition is switched on/off and when the vehicle moves outside a defined radius (1 km, 2.5 km or 5 km)	●	●	●
Vehicle Tracking ¹ – available to use free of charge for three years following activation ²	●	●	●

¹The connection of the communication module to the mobile phone network including the emergency call system depends on the respective network coverage and availability of network providers
Upon expiry of the initial term, the services can be extended for a fee. Initial activation of the services is possible within 1 year of first registration or commissioning by the customer, whichever occurs first

²To use this service, you must register on the Mercedes-Benz portal and also accept the Terms of Use for the Digital Extras. In addition, the respective vehicle must be paired with the user account.

[Discover Accessories](#)[Book a test drive](#)[Find your EQS](#)[Find a Showroom](#)

Genuine accessories

We've developed a range of accessories you can add to help personalise and enhance your EQS.

Velour floor mats CLASSIC, set, 4-piece

Floor mats have to undergo rigorous testing before they are deemed worthy of the star logo. Available in three colours, black, space grey and macchiato beige, these mats are precision-tailored to your Mercedes-Benz. They can be clip-fastened to the floor of the vehicle to prevent slipping. Elegant, high-quality tufted velour mats with embroidered Mercedes-Benz label.
black: A29768003089J74
space grey: A29768003081D57
macchiato beige: A29768003088U20

Coolbox

Be it cool drinks, a picnic or baby food: the thermoelectric refrigerator box cools upon request and is the perfect companion on any day out. Thanks to its extra thick insulation it can cool up to 5°C, but a max. of 20°C under the outside temperature. It fits perfectly into every Mercedes-Benz vehicle and holds 13 litres. (A0008205409)

Rear spoiler

A rear spoiler from Mercedes-Benz significantly boosts the car's aerodynamics. Tailored to the contours of the vehicle for a sporty design. Top-class materials produce a high-quality feel. (primed: A2977930100)

DUO plus child seat, with ISOFIX

Mercedes-Benz 'DUO PLUS', suitable for children between the ages of around 9 months to 4 years (9-18 kg). Featuring ISOFIX attachments to make securely fitting the child seat even easier. The TopTether also offers additional safety. The height-adjustable shoulder belt and three seat positions offer additional comfort. The cover with an exclusive design can be removed and washed. This has been tested to Mercedes-Benz requirements. (A0009704302)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Authorised Repairer for more information

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions and the relevant Excise Duty are shown on the model pricing page.

Road fund licence rates for tax year 2025/26, effective from 1 April 2025

Band	CO ₂ emissions (g/km)	First year rate (£)	Standard rate (£)	Premium rate (£) ¹
A	0	10.00	195.00	620.00
B	1 to 50	110.00	195.00	620.00
C	51 to 75	130.00	195.00	620.00
D	76 to 90	270.00	195.00	620.00
E	91 to 100	350.00	195.00	620.00
F	101 to 110	390.00	195.00	620.00
G	111 to 130	440.00	195.00	620.00
H	131 to 150	540.00	195.00	620.00
I	151 to 170	1,360.00	195.00	620.00
J	171 to 190	2,190.00	195.00	620.00
K	191 to 225	3,300.00	195.00	620.00
L	226 to 255	4,680.00	195.00	620.00
M	over 255	5,490.00	195.00	620.00

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.
¹Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge and VAT

Services and insurance

Mercedes-Benz Service Plans

We believe that servicing and repair costs should be as flexible and affordable as possible for your EQS, which is why we offer a choice of Service Plans to make it easy to budget for all your servicing, MOT and repair costs. It spreads your bills into manageable monthly payments based on whether you have a new or used Mercedes-Benz.

- **ServiceCare** – guarantees the price of parts and labour for up to four services and safeguards against any inflationary influences. It also covers your annual MOT fees depending on the age of your vehicle when you take your plan out.
- **CompleteCare** – our most comprehensive plan covering all your servicing, MOT, wear & tear needs as well as Extended Warranty once your vehicle turns four years old.
- **Extended Warranty** – protect yourself against sudden or unexpected repair costs after your initial warranty period has ended after three years. There are three policy options to choose from: 12-month, 24-month or a monthly pay-as-you-go option.

Motor Insurance

We know that once you have chosen your Mercedes-Benz you can't wait to drive it – that's why we created First Cover.¹ It gives you 5 days' free comprehensive Motor Insurance when you buy a new or used vehicle from a Mercedes-Benz Agent. We will also send you a quote for annual cover, so you can enjoy the same peace of mind all year round.

[➤ Apply for First Cover](#)

Battery Warranty

The battery is under warranty for either a maximum distance of 100,000 miles or up to eight years from the date of first registration, whichever comes first.

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects² and up to 30 years warranty against perforation due to corrosion from the inside out.³ What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.³

¹Terms and Conditions apply. We are an independent intermediary dealing with selected insurers in respect of annual insurance

²Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Mercedes-Benz Agents

³Subject to full Terms and Conditions, dependent on date of registration, available upon request
